Note: Solicitations should be issued through FedBid or via the e-mails provided in the table above. Solicitations shall be issued to all vendors in the selected socio-economic category, unless an exception to Fair Opportunity has been processed by the Contracting Officer. The Contracting Officer shall determine which socio-economic category to use.

Note: Solicitations should be provided to only one socio-economic category, not multiple socio-economic categories or a combination of vendors from multiple socio-economic categories.
