The President's National Security Telecommunications Advisory Committee

Committee Member Biography
The President's National Security Telecommunications Advisory Committee

Thomas J. Lynch
Chairman and Chief Executive Officer
TE Connectivity, Ltd.

Mr. Thomas J. Lynch is the CEO and chairman of the board of directors of TE Connectivity (formerly Tyco Electronics). Prior to his current role, Mr. Lynch was the CEO of Tyco Electronics and president of Tyco Engineered Products and Services under Tyco International. Prior to joining Tyco International, Mr. Lynch held several leadership positions at Motorola, Inc., including executive vice president, president, and CEO of Motorola's personal communications sector. He also served as president of Motorola's Integrated Electronics Systems sector. Before joining Motorola, Mr. Lynch was senior vice president and general manager of the satellite and broadcast network systems segment for General Instrument Corp. Mr. Lynch serves as a vice chair of the U.S.-China Business Council; a member of Rider University's board of trustees; and a member of the board of directors for Thermo Fisher Scientific. Mr. Lynch earned a bachelor's degree in commerce from Rider University.
