Summary of Document: Recent funding decisions by the Department of Homeland Security have demonstrated a lack of understanding and appreciation for the critical homeland security threats facing the Buffalo-Niagara region. For that reason, I am writing you to visit and to tour the region so that you can see firsthand the critical homeland security needs of the community. The Buffalo-Niagara region's grant of $7.2 million in FY 2005 has been slashed to $3.7 million for the current year.
