Could you revise the ICE response letter to align with the language used in the OIG response letter for the areas where it is discussing the same issues (i.e. some of the exemptions, fee waivers, etc.) so we can ensure we are consistent?

Also, the file for(b) (6) [redacted] appear to be identical - did one get left out by mistake?

Thanks!

Good afternoon all,
The draft Office of Inspector General interim response letter is attached for your review. The responsive records themselves are too voluminous to send via email. I will bring a CD containing the responsive records to the NAC

personally.
The ICE FOIA Office is revising the draft letter for their interim response and will be sending the letter over for review shortly. The responsive records for the ICE interim response will be sent along with the letter; these records have been released in response to previous FOIA requests.

Jordan and Julia -
I trust you had a good holiday. I know you aren't back until tomorrow, but I wanted you to be aware that there will be 2 voluminous FOIAs coming tomorrow, one from the IG, one from ICE. Since these are related to ongoing litigation (and for fear of being sued), IG and ICE very much want to be able to produce within the 20 day statutory deadline, which expires on Wednesday. If possible, could you please review by COB wednesday? My colleague Bill Holzerland will send you the materials (in Catherine's absence), please let him know when you have reviewed.

Thanks so much,

Jordan and Julia,
Obviously no problem with changing the date of the letter, but the other portions you removed need to be left in for appeal purposes. The language ICE used allows for the requester to understand the scope of the search, what the search produced (and didn't produce) and what they are entitled to appeal. May I ask who is making these suggested edits?
