Employee Assistance Program

Phone: 202-406-5317

The EAP provides services designed to help employees, managers, and organizations meet life challenges and remain healthy, engaged, and productive.

For employees: Your EAP offers short-term confidential counseling and referral for issues that are affecting your ability to work. The EAP will either address your concerns during counseling sessions, or they will refer you to appropriate community resources, counselors, and other supports. Additionally, employee dependants and household members are eligible for EAP.

Issues addressed by the EAP include:

- Life changes – marital stress, divorce, parenting, special needs children, aging parents, and retirement
- Life challenges – drug and alcohol abuse, eating disorders, grief and loss, anxiety, financial loss, depression, traumatic incidents, mental illness
- Legal and Financial Service
- Job stress and burnout
- Coping with difficult situations or difficult people

For managers: Your EAP is an ally in fostering a high-performance organization by providing:

- Coaching – how to refer employees to EAP, have difficult performance conversations, handle difficult employees, be a better manager
- Counseling and referral to help you manage your own stress and life challenges
