All,

I understand that CBP, CDC, and others from DHS and HHS are having a call tomorrow morning to discuss operational planning and screening for the Coronavirus. There are a few outstanding questions that we are hoping the experts on the call can answer.

Thanks in advance for working on these questions.

Best,

Chad

CoS Mizelle,

I have commented on your questions below. As you are probably aware, during the PCC today, we were notified that the Chinese authorities will close the airport and rail station in Wuhan as of 1000 local time, 23 January
