

If you **see** something, **say** something®

SEPT 25 | **#SeeSayDay**

Year-round, the U.S. Department of Homeland Security's "If You See Something, Say Something®" campaign works to empower and educate the public on the importance of reporting suspicious activity to local authorities. DHS designated **September 25** as the national "If You See Something, Say Something®" Awareness Day, also known as #SeeSayDay. On this day, DHS and its campaign partners come together to amplify the campaign's message to communities across the country. The campaign appreciates your support of #SeeSayDay this September 25, 2022.

THIS YEAR'S CALL TO ACTION

You may have heard the slogan, but do you know who to call if you witness terrorism-related suspicious activity? This #SeeSayDay, we encourage our partners to motivate your organization, community, and loved ones to take the time to **look up and save the Suspicious Activity Reporting phone number for their location in their phone**. By doing so, they will be better prepared to help keep communities safe when they see something suspicious.

LEARN THE LOCAL REPORTING NUMBER(S)

Do you know the best phone number to call to report suspicious activity? [Click here](#) to access an interactive map where you can look up the reporting information for wherever you work, live, or spend time – then save that number in your phone.

RECOGNIZE THE SIGNS

Learn how to recognize the indicators of terrorism-related suspicious activity. [Click here](#) to view a list of the warning signs.

USE SOCIAL MEDIA TO SPREAD THE WORD

[Click here](#) for ready-to-use graphics that you can use on your personal or organization's social media channels to help raise awareness and promote this year's call to action on #SeeSayDay.

Don't forget to use the hashtag #SeeSayDay in your social media posts!

TAKE ADVANTAGE OF OTHER CAMPAIGN RESOURCES

Check out www.dhs.gov/SeeSay for more information about the campaign and resources to share with your communities on September 25 or anytime of the year.
