

Language Services II

The Department of Homeland Security (DHS) established a multiple-award Blanket Purchase Agreement (BPA) for Language Services under GSA's Professional Service Schedule. This BPA provides a wide range of language services and are available for all DHS Components to use. The Language Services II strategic sourcing vehicle is a small-business set-aside solution to help DHS Components meet their small-business goals while ensuring DHS surge requirements can be met. Language Services II was previously offered as Functional Category One (FC 1) of the Language Services strategic sourcing vehicle and provides Foreign Language Services for roughly 180 languages and dialects. Services also include translation, interpretation (on-site, telephonic, etc.) transcription translation, and website localization.

Key Contract Vehicle Features:

- Enables DHS and its Components to strategically leverage collective buying power through a simplified and lower cost method of procurement;
