1.0 THE DHS MENTOR-PROTÉGÉ PROGRAM

1.1 SCOPE

The U.S. Department of Homeland Security (DHS) Mentor-Protégé Program (MPP) is designed to motivate and encourage large business prime contractors to provide mutually beneficial developmental assistance to small businesses. A mentor-protégé agreement's primary focus is on business development for the protégé firm. Small businesses that meet the definition of a small business concern in accordance with the Federal Acquisition Regulation (FAR) Part 19.001 (based on its primary North American Industry Classification System (NAICS) code) are eligible to be a protégé. This includes small business, veteran-owned small business, service-disabled veteran-owned small business, Historically Underutilized Business Zone (HUBZone) small business, small disadvantaged business, women-owned small business, and economically disadvantaged women-owned small business.

The program is also designed to enhance the performance of DHS contracts, foster the establishment of long-term business relationships between DHS large and small contractors, and increase prime and subcontracting opportunities. DHS provides venues in which firms may network and identify potential mentors and protégés. The Department does not match or recommend firms to serve as mentors or protégés. The approval of a DHS MPP Agreement does not constitute or create a Joint Venture (JV) between the mentor and the protégé.

1.2 DEFINITIONS

- (a) MENTOR FIRM, (hereafter referred to as mentor) as used in the MPP, means a large business (refer to the NAICS) that demonstrates the commitment and capability to assist in business development to a small business concern (protégé firm).
- (b) PROTÉGÉ FIRM, (hereafter referred to as protégé) as used in the MPP, means a small business concern which is independently owned and operated, not dominant in its field (refer to FAR Subpart 19.001 and FAR Subpart 19.102), and meets federal size standards in its primary NAICS code. This includes concerns referenced in Section 1.1.

1.3 NON-AFFILIATION

The qualification for a small business is outlined in Section 1.2. A protégé will not be considered an affiliate of a mentor solely on the basis that the protégé has or will receive developmental assistance from the mentor under this program.

Participation in the DHS Mentor-Protégé Program does not automatically establish affiliation but affiliation may be found for other reasons as set forth in 13 C.F.R. 121.103. A mentor and protégé should take caution to review SBA's affiliation rules on common ownership, common management, identity of interest, economic dependence, joint venture, and ostensible subcontractor rules. If a protégé were to be found affiliated with its mentor under any affiliation rule, the protégé may lose its status as a small business contractor. See SBA's affiliation rule at 13 C.F.R. 121.103 and the SBA's affiliation guide at www.sba.gov/affiliation for more information.

1.4 GENERAL POLICY

- (a) Eligible large businesses (mentor) will enter into a 36-month agreement with eligible small businesses (protégé) as defined in Section 1.2. Mentors will provide appropriate developmental assistance to enhance the capabilities of protégés to perform as prime contractors and subcontractors.
- (b) Mentor-Protégé Agreements will be applicable to any contract type deemed appropriate by DHS when the requirement for a subcontracting plan is anticipated (refer to FAR Subpart 19.7).
- (c) All firms must be in good standing in the federal marketplace. The program excludes firms that are identified in the Federal Excluded Parties List System (EPLS).

1.5 INCENTIVES FOR MENTOR PARTICIPATION

There are no costs involved for a firm to participate in DHS's MPP. The following are the incentives a mentor may receive:

- (a) Mentor may receive additional evaluation points toward the award of contracts during the evaluation of competitive offers.
- (b) Mentor may receive subcontracting credit on a dollar for dollar basis by counting protégé developmental assistance, as appropriate, for approved subcontracting plans. (*Note:* DHS does not provide direct reimbursement to the mentors.)

1.6 INCENTIVES FOR MENTOR AND PROTÉGÉ PARTICIPATION

The mentor and protégé are eligible for an annual award. The award is presented to the mentor-protégé team which demonstrates teamwork and the mentor that provides the most effective developmental support to a protégé. The Office of Small and Disadvantaged Business Utilization (OSDBU), in consultation with senior DHS management, will solicit nominations from participating mentors and determine the award winner. For more information, contact Sharon Davis (sharon.davis@hq.dhs.gov).

1.7 MEASUREMENT OF PROGRAM SUCCESS

The overall success of DHS's MPP encompasses participating firms' activities measured by the extent to which it results in:

- (a) An increase in the quality of the technical capabilities of the protégé.
- (b) An increase in the quantity and the estimated value of contract and subcontract awards to the protégé firm during the M-P agreement period.

1.8 MENTOR ELIGIBILITY

- (a) Firms eligible to receive a Federal Government contract may apply.
- (b) Mentors will be encouraged to identify and select:
 - (1) Eligible as defined in Section 1.2(a);
 - (2) A broad base of small business firms whose core competencies support the DHS mission; and
 - (3) Small business firms with whom the firm has an established business relationship.
- (c) Mentors may have multiple protégés. Mentors participating in other Federal agencies' Mentor-Protégé programs, in addition to the DHS program, should maintain a system to prepare separate reports of mentoring activities for each agency's program.

1.9 PROTÉGÉ ELIGIBILITY

- (a) For selection as a protégé, a firm must be:
 - (1) Eligible as defined in Section 1.2(b) and
 - (2) Eligible for receipt of Federal Government contracts.
- (b) A protégé may declare to a mentor that it meets the requirements set forth in paragraph (a) of this section. A mentor may rely in good faith on the written business declarations consistent with the guidance cited in the FAR Part 219.1 by potential protégés as evidence of eligibility to participate.
- (c) Protégés may have multiple mentors. Protégés participating in other federal mentor protégé programs in addition to DHS's program should maintain a system to record and track their activities for each agency's program and/or reporting requirements.

1.10 SELECTION OF PROTÉGÉ

- (a) Mentor(s) will be solely responsible for selecting protégé(s). The mentor is encouraged to identify and select a protégé that meets the requirements outlined in Section 1.7.
- (b) The selection of protégé(s) by mentor(s) may not be protested, except as in paragraph (c) of this section.
- (c) Any dispute regarding the size or eligibility status of an entity selected by a mentor to be a protégé shall be referred to the DHS OSDBU for referral to the Small Business Administration (www.sba.gov).

1.11 APPLICATION PROCESS

In turn, the MPP Manager will then respond to the revised application within 30 business days.
