Yes, Nina is on boarding in early March as the new Executive Director of our Disinformation Governance Board. Very exciting development. + Jen and Sam for viz.

We'll need an office for Nina.

Thank you so much and appreciate it.

Hi Rob,

Are you aware of a possible inbound political for PLCY, Nina Jankowicz, potentially to work on disinformation topics?? Looks like she's in the HR pipeline, and if she's coming our way just want to be sure PLCY has everything setup for a potential arrival.

Thank you!

Importance: High

Hi –

Per discussion with Rob and KAB we would like to move forward asap with extending Liz Kozey’s detail in policy for 12 months as Deputy Director of the Disinformation Governance Board. As her supervisor is departing/ retiring tomorrow, we are hoping to get the paperwork over to her supervisor today to sign asap.

Could you kindly share that paperwork with me to send over to Bob Kolasky?

I know you all have so much going on and we so appreciate it!

Sam

Attached is the draft that the team put together on DGB governing principles. I'd also like to share it with components with a deadline before our next steering group meeting on Friday, after which we can compile edits and share with Rob as planned.

Let me know if you'd like to proceed differently. Kudos to the team for a great first draft.

Subject: Disinfo Gov Board Rollout TPs/One Pager

Dear Rob,

On our call with OPA, OLA, Ricki, and Isa about the DGB rollout yesterday, we were asked to produce this one pager with TPs about the Board’s purpose, authorities, and initial deliverables, as well as notional validators.

Jen and Sam have both reviewed this draft; once we have your feedback, we will provide the document to the those who were on the call, as per their request, and work with them on ideas for the timing and strategy for the rollout. We’ll of course keep you apprised of those ideas.

Looking forward to your feedback-
Nina

Hello folks,

We are looking forward to seeing you at the Disinformation Governance Board Steering Group meeting at 4 today.

The agenda for the meeting is as follows:

- Discussion of DGB Principles document (originally distributed Tuesday and attached here);
Please submit any written feedback before today's meeting.
- Presentations from I&A and CISA.
- Ukraine updates/AOB

If you haven't yet, **please fill out [this form](#) regarding your team's Board and Steering Group representatives and alternates asap**; it will assist us with planning our first full Board meeting in April; **If you are not at HQ, please send the attached designee form to [@PATCH, MILTON](#).**

As a reminder while you fill out the designee forms, this is how the Charter describes the Board and Steering Group members:

- **Board Members:** Principle or Deputy for respective Component, who represent the perspectives of their respective Components at ~quarterly Board meetings; review any proposals submitted to the Board; and ensure that their respective Components implement, execute, and follow Board decisions.
- **Steering Group Members:** Component representatives who represent the perspectives of their respective Components at (currently weekly) Steering Group meetings; review and discuss any proposals submitted to the Board (such as the principles document attached to this email); communicate their considerations of Board proposals to their respective Board members, the ED, and other Steering Group Members; review and approve SOCs of Steering Group meetings; and help ensure their respective components implement, execute, and follow Board decisions.

As always, please let me know if you have any questions, and see you all this afternoon.

Best

Nina
