~~UNCLASSIFIED//LAW ENFORCEMENT SENSITIVE~~

There exists potential for violence between apposing protest groups this coming week (specifically on 5 and 6 Jan), mainly in DC, but possibly at other locations in the U.S.

In preparation for the potential violence, and on behalf of the Director of Operations Coordination, the NOC would like to invite you to the **DHS HQ Virtual SITROOM beginning 0600 EST, Tuesday, 5 Jan 2021.**

The SITROOM brings together homeland security enterprise partners to improve our preparedness for possible civil unrest. It serves as a 'one stop shop' for situational awareness products, current reporting, related news on emerging events and a platform for further discussion, collaboration, and coordination.

The site can be accessed here beginning at 0600 EST Tuesday, 5 Jan:

(b)(7)(E)

When logging in or requesting to enter, list your name, organization, email, and phone number.

Send an email to (b)(6) to validate your access and add you to the approved roster. Without a HSIN account, this approved roster allows us to give you guest access each time you log in. If you have a HSIN account, once you provide your name and are rostered, you will be able to join by simply logging in through HSIN. If you do not have a HSIN account, I would recommend establishing one—reach out to our team at the NOC and they will assist you in setting one up.

Please contact the NOC Senior Watch Officer at (b)(6) if you need any further assistance.
