OIDO's 2022 Annual Report is here!

Today, OIDO has released its [2022 Annual Report to Congress](#). The report details the progress we've made throughout 2022, including expanding our presence throughout the country to make a positive impact in detention and custody facilities, motivated by our mission to promote and support safe and humane conditions.

In addition to the numerous efforts undertaken in 2022, our office continues to strive towards an easier process for reporting, including the recent rollout of [myOIDO](#), our online case intake portal, to 10 facilities nationwide.

Our office will offer a virtual presentation on our 2022 Annual Report on **Monday, June 26 at 3 pm eastern**. The presentation will include major developments in 2022, new case management data, and highlights from our activities.
