- **11.1.** All Applicable and Required clauses set forth in Federal Acquisition Regulation (FAR) 52.301 automatically flow down to all SETA III task orders, based on their specific contract type, e.g. FFP, LH, or T&M.
- **11.2.** The clause at FAR 52.212-4, "Contract Terms and Conditions Commercial Items," applies to this acquisition.
- **11.3.** The clause at FAR 52.212-5, "Contract Terms and Conditions Required to Implement Statutes or Executive Orders Commercial Items," applies to this acquisition with all applicable additional FAR clauses cited therein.
- **11.4.** Pursuant to paragraph (d)(2) of the Rights in Data-General clause, FAR 52.227-14, of this task order, the Contractor may not use data first produced in the performance of this task order for any purpose other than the performance of this task order without the prior, written permission of

the Contracting Officer.

- **11.5.** Representation and Certification provisions from the SETA III master contracts automatically flow down to all task orders.
- **11.6.** The following additional clauses are applicable to this requirement if the boxes next to them are checked (contracting officer must check and complete as applicable):

#### 52.204-2 SECURITY REQUIREMENTS (AUG 1996)

a) This clause applies to the extent that this contract involves access to information classified "Confidential," "Secret," or "Top Secret."

b) The Contractor shall comply with ---

1) The Security Agreement (DD Form 441), including the National Industrial Security Program Operating Manual (DoD 5220.22-M); and

2) Any revisions to that manual, notice of which has been furnished to the Contractor.

c) If, subsequent to the date of this contract, the security classification or security requirements under this contract are changed by the Government and if the changes cause an increase or decrease in security costs or otherwise affect any other term or condition of this contract, the contract shall be subject to an equitable adjustment as if the changes were directed under the Changes clause of this contract.

d) The Contractor agrees to insert terms that conform substantially to the language of this clause, including this paragraph (d) but excluding any reference to the Changes clause of this contract, in all subcontracts under this contract that involve access to classified information.

(End of Clause)

## 52.211-11 LIQUIDATED DAMAGES-SUPPLIES, SERVICES, OR RESEARCH AND DEVELOPMENT (SEPT 2000)

a) If the Contractor fails to deliver the supplies or perform the services within the time specified in this contract, the Contractor shall, in place of actual damages, pay to the Government liquidated damages of \$<INSERT DOLLAR AMOUNT> per calendar day of delay.

b) If the Government terminates this contract in whole or in part under the Default-Fixed-Price Supply and Service clause, the Contractor is liable for liquidated damages accruing until the Government reasonably obtains delivery or performance of similar supplies or services. These liquidated damages are in addition to excess costs of repurchase under the Termination clause.

c) The Contractor will not be charged with liquidated damages when the delay in delivery or performance is beyond the control and without the fault or negligence of the Contractor as defined in the Default-Fixed-Price Supply and Service clause in this contract.

(End of clause)

#### 52.217-9 OPTION TO EXTEND THE TERMOF THE CONTRACT (MAR 2000)

a) The Government may extend the term of this contract by written notice to the Contractor within one (1) day; provided that the Government gives the Contractor a preliminary written notice of its intent to extend at least one (1) days before the contract expires. The preliminary notice does not commit the Government to an extension.

b) If the Government exercises this option, the extended contract shall be considered to include this option clause.

c) The total duration of this contract, including the exercise of any options under this clause, shall not exceed thirty-six (36) months.

(End of clause)

#### 3052.215-70 KEY PERSONNEL OR FACILITIES (DEC 2003)

a) The personnel or facilities specified below are considered essential to the work being performed under this contract and may, with the consent of the contracting parties, be changed from time to time during the course of the contract by adding or deleting personnel or facilities, as appropriate.

b) Before removing or replacing any of the specified individuals or facilities, the Contractor shall notify the Contracting Officer, in writing, before the change becomes effective. The Contractor shall submit sufficient information to support the proposed action and to enable the Contracting Officer to evaluate the potential impact of the change on this contract. The Contractor shall not remove or replace personnel or facilities until the Contracting Officer approves the change.

The Key Personnel or Facilities under this Contract:

| Task Order Manager / Senior Analyst - | (b)(6) |
|---------------------------------------|--------|
| Subject Matter Expert I -             |        |
| 5                                     |        |

(End of clause)

#### 3052.242-72 CONTRACTING OFFICER'S TECHNICAL REPRESENTATIVE (DEC 2003)

a) The Contracting Officer may designate Government personnel to act as the Contracting Officer's Technical Representative (COTR) to perform functions under the contract such as review or inspection and acceptance of supplies, services, including construction, and other functions of a technical nature. The Contracting Officer will provide a written notice of such designation to the Contractor within five working days after contract award or for construction, not less than five working days prior to giving the contractor the notice to proceed. The designation letter will set forth the authorities and limitations of the COTR under the contract.

The Contracting Officer cannot authorize the COTR or any other representative to sign documents, such as contracts, contract modifications, etc., that require the signature of the Contracting Officer.

(End of clause)

#### **CONTRACTING OFFICER'S REPRESENTATIVE (COR)**

The Contracting Officer's Representative (COR) that will be responsible for the day-to-day coordination of this

Task Order. The COR for this Task Order is designated in accordance with Homeland Security Acquisition Regulation (HSAR) 3052.242-72 Contracting Officer's Technical Representative (DEC 2003) included in this Task Order.

The COR for this Task Order is:

(b)(6)

The COR will represent the Contracting Officer in the administration of technical details within the scope of the Task Order. The COR is also responsible for final inspection and acceptance of all Task Order deliverables and reports, and such other responsibilities as may be specified in this Task Order. The COR is not otherwise authorized to make any representations or commitments of any kind on behalf of the Contracting Officer or the Government that affect, price, quality, quantity, delivery, or other terms and conditions of this Task Order. If, as a result of technical discussions, it is desirable to modify Task Order obligations or specifications, changes will be issued in writing and signed by the Contracting Officer.

The Alternate Contracting Officer's Representative (ACOR) will be responsible for the day- to-day coordination of this Task Order when the COR is unavailable. The ACOR for this Task Order is designated in accordance with Homeland Security Acquisition Regulation (HSAR) 3052.242-72 Contracting Officer's Technical Representative included in this Task Order.

The ACOR for this Task Order is:

(b)(6)

The ACOR will represent the Task Order Contracting Officer in the administration of technical details within the scope of the Task Order when the COR is unavailable. References in this Task Order to the COR shall be construed to mean the ACOR in the event the COR is unavailable.

#### CONTRACTING OFFICER AND CONTRACT SPECIALIST

The Contracting Officer (CO) is the only person authorized to approve changes to any of the terms and conditions of this Task Order. In the event the Contractor effects any changes at the direction of any person other than the CO, the changes will be considered to have been made without authority and no adjustment will be made in the Task Order price to cover any increase in prices incurred as a result thereof. The CO shall be the only individual authorized to accept nonconforming work, waive any requirement of the Task Order, or to modify any term or condition of the Task Order. The CO is the only individual who can legally obligate government funds. No cost chargeable to the proposed Task Order can be incurred before receipt of a fully executed Task Order, which includes any subsequent modifications or other specific written authorization from the CO.

The Contractor shall not comply with any order, direction or request of government personnel unless it is issued in writing and signed by the CO, or is pursuant to specific authority otherwise included as a part of this Task Order. No order, statement, or conduct of government personnel, other than the CO, who visit the Contractor's facilities or in any other manner communicate with Contractor personnel during the performance of this Task Order shall constitute a change under the Changes clause included in this Task Order. The Contracting Officer for this Task Order is:

(b)(6) The Contract Specialist for this Task Order is: (b)(6)

## 12. SURGE CLINs

This solicitation and the resulting task order contain surge CLINs that may be located on-site or off-site as detailed in the Statement of Work and Pricing Table. These surge CLINs may be exercised within their respective periods and shall not cross into another period of performance from the one in which they are exercised. Should the Government choose to exercise an optional task or Surge CLIN, that option will be exercised no later than the second to last month of the period in which it is exercised.

Surge and optional CLINs may be exercised in increments as little as one (1) hour.

The Government will make all efforts to notify an awardee no later than fifteen (15) days before the exercise of an optional task or surge CLIN. This notice will be provided by e-mail. Optional tasks and surge CLINs will be exercised via formal modification to the task order. This modification will be sent by the task order Contract Specialist or Contracting Officer. Surge CLINs will not and cannot be ordered by the Contracting Officer's Representative.

#### 1. TIME-AND-MATERIALS CEILING

This is a time-and-materials task order, and the amount of funds obligated under the task order is a ceiling that the Contractor exceeds at their own risk.

#### Ref Item 13:

This contract and its related attachments may impose strict security requirements for need-to-know access, special handling procedures, physical security measures, and administrative controls beyond those prescribed for collateral Department of Homeland Security (DHS) information. The provisions delineated in DoD 5220.22M, Department of Homeland Security Directives, applicable Intelligence Community Directives, and applicable Security Classification Guides are strictly enforced. This DD2524 shall not be made accessible to persons without a valid need-to-know.

Insider Threat training for Contractors can be found at: https://securityawareness.usalearning.gov/itawareness/index.htm Certificate of training is required for all cleared contractors who are working with classified information. All certificates must be sent to the DHS Training Office at: securitytraining@hq.dhs.gov and the DHS Contracting Officer Representative, before the Contractor or Subcontractor is granted access to classified information. All cleared contractor personnel are required to recertify Insider Threat training annually thereafter.

#### 11. TASK ORDER CLAUSES

- **11.1.** All Applicable and Required clauses set forth in Federal Acquisition Regulation (FAR) 52.301 automatically flow down to all SETA III task orders, based on their specific contract type, e.g. FFP, LH, or T&M.
- **11.2.** The clause at FAR 52.212-4, "Contract Terms and Conditions Commercial Items," applies to this acquisition.
- **11.3.** The clause at FAR 52.212-5, "Contract Terms and Conditions Required to Implement Statutes or Executive Orders Commercial Items," applies to this acquisition with all applicable additional FAR clauses cited therein.
- **11.4.** Pursuant to paragraph (d)(2) of the Rights in Data-General clause, FAR 52.227-14, of this task order, the Contractor may not use data first produced in the performance of this task order for any purpose other than the performance of this task order without the prior, written permission of

the Contracting Officer.

- **11.5.** Representation and Certification provisions from the SETA III master contracts automatically flow down to all task orders.
- **11.6.** The following additional clauses are applicable to this requirement if the boxes next to them are checked (contracting officer must check and complete as applicable):

#### 52.204-2 SECURITY REQUIREMENTS (AUG 1996)

a) This clause applies to the extent that this contract involves access to information classified "Confidential," "Secret," or "Top Secret."

b) The Contractor shall comply with --

1) The Security Agreement (DD Form 441), including the National Industrial Security Program Operating Manual (DoD 5220.22-M); and

2) Any revisions to that manual, notice of which has been furnished to the Contractor.

c) If, subsequent to the date of this contract, the security classification or security requirements under this contract are changed by the Government and if the changes cause an increase or decrease in security costs or otherwise affect any other term or condition of this contract, the contract shall be subject to an equitable adjustment as if the changes were directed under the Changes clause of this contract.

d) The Contractor agrees to insert terms that conform substantially to the language of this clause, including this paragraph (d) but excluding any reference to the Changes clause of this contract, in all subcontracts under this contract that involve access to classified information.

(End of Clause)

# 52.211-11 LIQUIDATED DAMAGES-SUPPLIES, SERVICES, OR RESEARCH AND DEVELOPMENT (SEPT 2000)

a) If the Contractor fails to deliver the supplies or perform the services within the time specified in this contract, the Contractor shall, in place of actual damages, pay to the Government liquidated damages of \$<INSERT DOLLAR AMOUNT> per calendar day of delay.

b) If the Government terminates this contract in whole or in part under the Default-Fixed-Price Supply and Service clause, the Contractor is liable for liquidated damages accruing until the Government reasonably obtains delivery or performance of similar supplies or services. These liquidated damages are in addition to excess costs of repurchase under the Termination clause.

c) The Contractor will not be charged with liquidated damages when the delay in delivery or performance is beyond the control and without the fault or negligence of the Contractor as defined in the Default-Fixed-Price Supply and Service clause in this contract.

(End of clause)

#### 52.217-9 OPTION TO EXTEND THE TERMOF THE CONTRACT (MAR 2000)

a) The Government may extend the term of this contract by written notice to the Contractor within one (1) day; provided that the Government gives the Contractor a preliminary written notice of its intent to extend at least one (1) days before the contract expires. The preliminary notice does not commit the Government to an extension.

b) If the Government exercises this option, the extended contract shall be considered to include this option clause.

c) The total duration of this contract, including the exercise of any options under this clause, shall not exceed thirty-six (36) months.

(End of clause)

#### 3052.215-70 KEY PERSONNEL OR FACILITIES (DEC 2003)

a) The personnel or facilities specified below are considered essential to the work being performed under this contract and may, with the consent of the contracting parties, be changed from time to time during the course of the contract by adding or deleting personnel or facilities, as appropriate.

b) Before removing or replacing any of the specified individuals or facilities, the Contractor shall notify the Contracting Officer, in writing, before the change becomes effective. The Contractor shall submit sufficient information to support the proposed action and to enable the Contracting Officer to evaluate the potential impact of the change on this contract. The Contractor shall not remove or replace personnel or facilities until the Contracting Officer approves the change.

The Key Personnel or Facilities under this Contract:

(b)(4)

(End of clause)

#### 3052.242-72 CONTRACTING OFFICER'S TECHNICAL REPRESENTATIVE (DEC 2003)

a) The Contracting Officer may designate Government personnel to act as the Contracting Officer's Technical Representative (COTR) to perform functions under the contract such as review or inspection and acceptance of supplies, services, including construction, and other functions of a technical nature. The Contracting Officer will provide a written notice of such designation to the Contractor within five working days after contract award or for construction, not less than five working days prior to giving the contractor the notice to proceed. The designation letter will set forth the authorities and limitations of the COTR under the contract.

The Contracting Officer cannot authorize the COTR or any other representative to sign documents, such as contracts, contract modifications, etc., that require the signature of the Contracting Officer.

(End of clause)

#### **CONTRACTING OFFICER'S REPRESENTATIVE (COR)**

The Contracting Officer's Representative (COR) that will be responsible for the day-to-day coordination of this

#### 70RSAT19D0000003 / 70RSAT20FR0000030

Task Order. The COR for this Task Order is designated in accordance with Homeland Security Acquisition Regulation (HSAR) 3052.242-72 Contracting Officer's Technical Representative (DEC 2003) included in this Task Order.

The COR for this Task Order is:

(b)(6)

The COR will represent the Contracting Officer in the administration of technical details within the scope of the Task Order. The COR is also responsible for final inspection and acceptance of all Task Order deliverables and reports, and such other responsibilities as may be specified in this Task Order. The COR is not otherwise authorized to make any representations or commitments of any kind on behalf of the Contracting Officer or the Government that affect, price, quality, quantity, delivery, or other terms and conditions of this Task Order. If, as a result of technical discussions, it is desirable to modify Task Order obligations or specifications, changes will be issued in writing and signed by the Contracting Officer.

The Alternate Contracting Officer's Representative (ACOR) will be responsible for the day- to-day coordination of this Task Order when the COR is unavailable. The ACOR for this Task Order is designated in accordance with Homeland Security Acquisition Regulation (HSAR) 3052.242-72 Contracting Officer's Technical Representative included in this Task Order.

The ACOR for this Task Order is:

b)(6)

The ACOR will represent the Task Order Contracting Officer in the administration of technical details within the scope of the Task Order when the COR is unavailable. References in this Task Order to the COR shall be construed to mean the ACOR in the event the COR is unavailable.

#### CONTRACTING OFFICER AND CONTRACT SPECIALIST

The Contracting Officer (CO) is the only person authorized to approve changes to any of the terms and conditions of this Task Order. In the event the Contractor effects any changes at the direction of any person other than the CO, the changes will be considered to have been made without authority and no adjustment will be made in the Task Order price to cover any increase in prices incurred as a result thereof. The CO shall be the only individual authorized to accept nonconforming work, waive any requirement of the Task Order, or to modify any term or condition of the Task Order. The CO is the only individual who can legally obligate government funds. No cost chargeable to the proposed Task Order can be incurred before receipt of a fully executed Task Order, which includes any subsequent modifications or other specific written authorization from the CO.

The Contractor shall not comply with any order, direction or request of government personnel unless it is issued in writing and signed by the CO, or is pursuant to specific authority otherwise included as a part of this Task Order. No order, statement, or conduct of government personnel, other than the CO, who visit the Contractor's facilities or in any other manner communicate with Contractor personnel during the performance of this Task Order shall constitute a change under the Changes clause included in this Task Order. The Contracting Officer for this Task Order is:

The Contract Specialist for this Task Order is:

## 12. SURGE CLINs

This solicitation and the resulting task order contain surge CLINs that may be located on-site or off-site as detailed in the Statement of Work and Pricing Table. These surge CLINs may be exercised within their respective periods and shall not cross into another period of performance from the one in which they are exercised. Should the Government choose to exercise an optional task or Surge CLIN, that option will be exercised no later than the second to last month of the period in which it is exercised.

Surge and optional CLINs may be exercised in increments as little as one (1) hour.

The Government will make all efforts to notify an awardee no later than fifteen (15) days before the exercise of an optional task or surge CLIN. This notice will be provided by e-mail. Optional tasks and surge CLINs will be exercised via formal modification to the task order. This modification will be sent by the task order Contract Specialist or Contracting Officer. Surge CLINs will not and cannot be ordered by the Contracting Officer's Representative.

## 1. TIME-AND-MATERIALS CEILING

This is a time-and-materials task order, and the amount of funds obligated under the task order is a ceiling that the Contractor exceeds at their own risk.
