Incident Driven Video Recording System (IDVRS)

The Department of Homeland Security (DHS) has established an Indefinite Delivery/ Indefinite Quality (IDIQ) contract, which allow all DHS components to procure Incident Driven Video Recording Systems (IDVRS). IDVRS encompasses officer/agent self and automatically activated recording devices, including body-worn cameras (BWCs), various accessories, docking stations, video management system (VMS) software, and cloud storage licenses.

Key Contract Vehicle Features:

- This contract was developed based on input from across the department through the DHS Strategic Sourcing IDVRS IPT;
- Provides two, non-combinable, ways to obtaining discount pricing:
 - Cumulative Sales Discount
 - Bulk Pricing Discount (per CLIN)
- Provide a one-stop solution for acquiring the FEDRAMP authorized BWCs, systems, accessories, software and licenses.

Period of Performance (POP):

One-year base period, plus four one-year option periods (6/13/2023 – 6/12/2028)

Number of Awardees:

One Large business
