# I. Legislative Language

This report was prepared pursuant to direction in House Report 117-396, which accompanies the Fiscal Year (FY) 2023 Department of Homeland Security (DHS) Appropriations Act (P.L. 117-328).

House Report 117-396 includes the following:

*Official Reception and Representation Expenses.*—DHS shall continue to submit quarterly obligation reports for official reception and representation expenses, as in prior years, and refrain from using such funds for unnecessary collectibles or memorabilia.

This report is cumulative through the second quarter of FY 2023, ending March 31, 2023.

## II. Background

### A. Terminology

**Official Reception:** An occasion for which the primary purpose is to explain or to interpret the programs of DHS. Events may be held in the United States or in foreign countries and may be attended by domestic or foreign officials or others being entertained for official purposes.

**Representation:** Entertainment primarily of foreign dignitaries in a foreign country in connection with the interests of DHS. Representation also may include official entertainment of domestic or foreign officials within or outside the borders of the United States, where the principal purpose of the event is related to a responsibility or a concern of DHS.

### B. Official Reception and Representation (ORR) Funds

DHS uses appropriated funds for ORR purposes, as defined in Section IIA of this report. ORR funds are expended only to extend official courtesies to guests of the United States and DHS for maintaining the standing and prestige of the United States and DHS. ORR funds may be used to fund official activities that further the interests of DHS or to extend official courtesies for other distinguished and prominent citizens who made a substantial contribution to the United States or to DHS. ORR funds are used for expenses incurred in connection with official agency events, typically characterized by a mixed ceremonial, social, and/or business purpose, and hosted in a formal sense by high-level agency officials. ORR funds are not used to pay for the cost of meals or refreshments for U.S. Government employees in connection with routine interagency or intra-agency working meetings.

DHS extends official courtesies to federal, state, and local dignitaries and officials such as the President and Vice President of the United States, members of the Cabinet, members of Congress and their professional staff, governors, mayors, citizen committees, and other distinguished or prominent citizens who made a substantial contribution to the Nation or to DHS. Courtesies extended include the cost of luncheons, dinners, receptions, mementos, and participation expenses at DHS-sponsored events.
