We'll need an office for Nina.

Thank you so much and appreciate it.

Are you aware of a possible inbound political for PLCY, Nina Jankowicz, potentially to work on disinformation topics?? Looks like she's in the HR pipeline, and if she's coming our way just want to be sure PLCY has everything setup for a potential arrival.

Thank you!

Please excuse my confusion, but MacReadie reached out yesterday indicating he was doing a first draft of the PD. He asked for a draft of the charter for that purpose.

If that is no longer the case then I will certainly work on this with my team this weekend.

Can you also kindly clarify who the ED will be reporting to?

Thank you.

Rob – thank you.

Please excuse my confusion, but MacReadie reached out yesterday indicating he was doing a first draft of the PD. He asked for a draft of the charter for that purpose.

If that is no longer the case then I will certainly work on this with my team this weekend.

Can you also kindly clarify who the ED will be reporting to?

Thank you.

Hi Rob,

The reconsideration for the off-cycle NEO is pending a determination from my leadership.

In the interim, please provide a copy of the classified Position Description (PD) for us to start the pre-employment process. Please note this request is time-sensitive and will delay the start of the pre-employment process.

Sincere Thanks,

Hey Sarah. How is this:

Nina will serve as Executive Director of DHS's Disinformation Governance Board, an internal cross-DHS council dedicated to developing policies to govern the Department's counter-disinformation work. This includes policies relating to protection of privacy, civil rights, and civil liberties. The ED will also lead on a day to day basis the board's development of best practices and common resources that DHS agencies can draw upon, and will play a deconfliction role when multiple agencies are conducting overlapping work. The ED will also serve as a liaison to the interagency and externally on disinformation issues.

That's my understanding, too. ILD's been asked to support Jen Daskal on PLCY's MDM efforts, so we've been trying to educate them on intelligence specific issues along the way. Recognizing I&A will send its feedback through formal channels, I will also undertake to ensure lanes in the road are clear in these governing documents.

In regards to your first question below, (b)(6) reached out to IT and unfortunately they are not able to provide a solution at this time; however, the CTET team is available to consolidate all input into one document if that would be helpful.

Subject: Disinfo Steering Group meeting

Hi – at the disinformation governance board steering group meeting, I indicated that I would circulate a document that individuals could pile onto with tech sector/ external engagements.

As we need it to be accessible to components:

1. • Is there any kind of sharepoint that components can access if they request access
2. • Can you kindly propose what information we want folks to share (name of outreach partner; topic; date of meeting?)

If you could send me feedback on this today I would appreciate it.

I told Kim about the CFIUS paper that, given s2 travel, we wont be able to review the package until Tuesday. Hopefully we will get clearance from the counselors by Tuesday morning, and ESEC can bring the document down then. No rush before then. Thanks.

Good morning Ron,

The only item I am currently tracking is the Disinformation Governance Board Charter. As a heads up, we received a CFIUS case yesterday that must be signed by S2 NLT next Tuesday, February 22. It is currently with Tim Maurer for clearance; as soon as we receive his clearance we will send it your way.

As always, please let us know if there is anything we can do to assist.

Warm regards,

Hi Sam—see attached the MDM Gov Board Charter package that will be put into Exec Sec circulation tomorrow morning. These files are the same as at the PLCY Exec Sec link below:

[Folder icon Disinformation Governance Board Charter](#)

As a reminder, the package includes:

- • Action Memo (revised per your comments and edits)
- • Charter (accepted all changes, (b)(5))
- • Original S1 info memo

I'm going to ask Exec Sec to give components until Wednesday afternoon to provide comments. I'd recommend that we target Thursday or Friday for the steering group to help keep folks to that timeline.

Let me know if there's anything else you need.

Eric

Sounds good. I'll update the action memo and charter based on your comments and the meeting over the weekend for your final sign off before we send out. Exec Sec is standing by to send to components.

Subject: next steps

Hi there –

Let's go ahead and circulate the package via execsec first thing Monday morning?

I will concurrently send an email out first thing Monday morning explaining that it is coming etc.

I will include the chief of staff of fema and CBP because I don't know who will jump in for them.

Sound good?

Sam
