

## REQUIREMENT

The Center for Domestic Preparedness requires funding to procure the DHS-CDP ProSupport Onsite Service, ProSupport Technical Support and Assistance, and Keep Your Hard Drive for Enterprise services. This suite of support services is essential for the ongoing maintenance and timely application of patches, ensuring the robust protection and optimal performance of our Dell Data Domains dedicated to disaster recovery and backup operations. These services are critical to maintaining system integrity and operational continuity in compliance with established data protection standards. The Period of Performance (POP) is one year from date of award.

This is a support purchase only.

#### INDEPENDENT GOVERNMENT COST ESTIMATE

The Independent Government Cost Estimate (IGCE) is the Government's estimate of the resources and projected cost of the resources a contractor will incur in the performance contract. These costs include direct costs, such as labor, supplies, equipment, or transportation and indirect costs, such as labor overhead, material overhead, as well as general and administrative (G&A) expenses, profit, or fee. The analysis of the above prices, or market value, it has been determined that the Independent Government Cost Estimate is \$3,477.24. Shipping not applicable.

The CDP has added an additional five percent (5%) to cover any price increases of products/services or cost overruns that may take affect upon the expiration date of the attached quote(s). The CDP has added an additional \$165.58 to the independent government cost estimate of \$3,311.66.
