Mission and Objectives

The Committee Management Office (CMO) exercises control and lends oversight to all DHS Federal Advisory Committee Act (FACA) related committees; equips the Designated Federal Officials (DFO) and Alternate Designated Official of each committee with the tools necessary to carry out their committee duties; facilitates stakeholder discussions; offers innovative solutions to FACA issues; and routinely provides the Department's senior leaders with a snapshot of the FACA program.

Key Roles

Designated Federal Officer

Responsible for day-to-day operations of the committee

Executive Office of the President

Communicates President's message via Executive Orders

Government Publishing Office

Publishes Federal Register Notices for FACA committee activity.

Group Federal Officer

Serves as the liaison for FACA activities within their respective component

GSA Secretariat

Responsible for all matters relating to committee's government wide

Our Staff
