The Department of Homeland Security's Grants and Financial Assistance Division utilizes the GrantSolutions grants management system to manage all financial assistance awards. Please see below for important information regarding account establishment and navigating the system.

Use of GrantSolutions Grants Management System

GrantSolutions is an online Federal grant management system. It provides a venue for the Department of Homeland Security (OPO/GFAD) to work with you, the grantee, to manage your grant. GrantSolutions is a web-based system, therefore you can access information about your grant anywhere you have Internet access.

All users within the GrantSolutions system must have an account established. Please see the following link to access the Grantee User Account form: [Recipient User Account Request Form](#). Accounts should be established for the Program Director, Authorizing Official, and Financial officers at your organization as well as any other users who require access and notifications of award activity

All Grantee User Account forms should be signed by the requesting user's supervisor **and** submitted directly to the GrantSolutions Help Desk at [REDACTED]

User Account Instructions:

Reminder: All Grantee User Account forms should be submitted directly to the GrantSolutions Help Desk at: help@grantsolutions.gov **no later than October 15, 2024.**

Use of Payment Management System

In addition to GrantSolutions, GFAD uses the Department of Health and Human Services (DHHS), Payment Management System (PMS) for payment of funds under all awards. PMS is a full-service central payment and cash management system which requires you to establish a user account. You are encouraged to immediately complete the required PMS access forms **no later than October 15, 2024**. Otherwise, payments for any work performed under the grant program will not be processed until these forms are properly submitted to PMS, and an account has been established for your organization. Please note the following:

If your organization has never received grant funds from the DHS Grants and Financial Assistance Division, you must complete the New User and Account Establishment process directly on the PMS

website. Additional information may be found at: <https://pms.psc.gov/grant-recipients/access-newuser.html> . For assistance getting set up in PMS please contact the Help Desk at 1-877-614-5533 or [REDACTED]

When completing the SF-1199A form, Section 2 should contain the following information:

DHS/MGMT/OCPO/OPO/GFAD
Grants and Financial Assistance Division

COOPERATIVE AGREEMENT TERMS AND CONDITIONS
GRANTS AND FINANCIAL ASSISTANCE DIVISION (GFAD)

In addition to the DHS Standard Terms and Conditions as outlined here: [DHS standard terms and conditions](#), the following Terms and Conditions apply specifically to this award as administered by the Grants and Financial Assistance Division (GFAD):

ARTICLE I. FEDERAL ADMINISTRATIVE TERMS AND CONDITIONS

A. AWARD SPECIFIC TERMS AND CONDITIONS AND/OR RESTRICTIONS

Funds associated with this award are restricted pending receipt of the following information:

- A revised budget narrative which aligns with the object class categories specified on the SF-424A. Total costs must not exceed \$1,000,000 and please ensure the elements of each object class category are clearly described and organized.
- Pre-Award Risk Assessment Questionnaire as attached.

All required information must be submitted to the Grants Officer listed on the Notice of Award no later than October 9, 2024 in order to accept this award.

B. PROGRAM SPECIFIC TERMS AND CONDITIONS

As part of the DHS Standard Terms and Conditions, all DHS grant recipients that wholly or partially provide funding for emergency communication projects and related activities must comply with Appendix D of the SAFECOM Guidance on Emergency Communications Grants (SAFECOM Guidance). Appendix D outlines requirements for any DHS recipient using funds for emergency communication activities. These requirements include alignment to national and state communications plans, project coordination, and technical standards for emergency communications technologies. The SAFECOM Guidance is intended to ensure that federally funded investments are compatible, interoperable, and support the national goals and objectives for improving emergency communications nationwide.

C. DHS SUBSTANTIAL PROGRAMMATIC INVOLVEMENT

CISA will facilitate the implementation of demonstration projects by:

- a. Working with the recipient to ensure that the information, knowledge, and lessons learned gained by the demonstration project recipients are transferred among the program participants and to other interested parties responsible for providing rural medical care.
- b. Working with the recipient and CISA Interoperable Communications Technical Assistance Program (ICTAP) to identify innovative solutions that can be replicated in other rural communities and translate these demonstration projects to modify existing or develop new service offerings (e.g., *CISA Technical Assistance Service Offerings Guide*).
- c. Contributing subject matter expertise to specify data elements, milestones, and measures of success to show the impact of the project execution and enhancement of rural emergency communications and medical care. Given the demonstration project's unique objectives, key milestones and performance measures must be tailored to each recipient based on the innovative nature of the solutions.
- d. Providing assistance to recipients in the form of emails, teleconferences (to include regular quarterly teleconferences), workshops, webinars, training opportunities, and site visits as the Program Office deems necessary. Additionally, the Grant Program Officer can facilitate technical assistance requests, such as land mobile radio coverage mapping, standard operating procedures development, or exercise planning and evaluation.
- e. Reviewing and approving publications, case studies, tools, or templates developed under this project prior to their submission for publication.

ARTICLE II. GENERAL TERMS AND CONDITIONS

A. APPLICABILITY

1. General. The terms and conditions set forth in this document and elsewhere in the Federal Award package will apply to all budget periods for the Federal Award.
2. Post-Award Changes. DHS may revise terms and conditions in this document and other parts of the Federal Award package if it determines that there was an error in the package or otherwise determines that an administrative change must be made to the package. DHS will notify the Recipient in writing of the change and provide an updated Federal Award package document. Once notification occurs, any subsequent drawdown will indicate Recipient acceptance of the changes to the Federal Award.
3. Continuation Awards. If the Federal Award includes more than one budget period, DHS may revise the terms and conditions in this document or elsewhere in the award package when awarding continuation funding and approving an additional budget period. DHS will notify the Recipient of these changes and the Recipient, by applying for continuation award funding, agrees to comply with the revisions, should it receive a continuation award. These revisions would apply only to that budget period and future budget periods and would not apply retroactively to previous budget periods.
4. Applicability of DHS Standard Terms and Conditions to Tribes. The DHS Standard Terms and Conditions are a restatement of general requirements imposed upon recipients and flow down to subrecipients as a matter of law, regulation, or executive order. If the requirement does not apply to Indian tribes or there is a federal law or regulation exempting its application to Indian tribes, then the acceptance by Tribes of, or acquiescence to, DHS Standard Terms and Conditions does not change or alter its inapplicability to an Indian tribe. The execution of grant documents is not intended to change, alter, amend, or impose additional liability or responsibility upon the Tribe where it does not already exist.

B. AMENDMENTS AND REVISIONS

1. The Recipient is required to report deviations from the approved budget and request prior approvals from DHS for budget and program revisions for the Federal Award in accordance with 2 C.F.R. § 200.308. This Federal Award is a [construction/non-construction] award for the purposes of applying the prior approval requirements. Scope or objective changes are generally not permitted unless authorized by law; Recipients should contact DHS with questions about changes to scope or objectives.
2. DHS does not waive any prior approval requirements pursuant to 2 C.F.R. § 200.308(e).
3. For non-construction work under awards where the Federal share is greater than the simplified acquisition threshold (currently \$250,000), per 2 C.F.R. § 200.308(f), the Recipient must obtain prior written approval from DHS for transfers of funds among direct cost categories where the cumulative amount of such transfers exceeds or is expected to exceed 10 percent of the total approved budget.
4. The Recipient must obtain prior written approval from DHS for transfers of funds from direct costs to the indirect costs object class or vice versa.
5. The Recipient must obtain prior written approval from DHS before making any fund or budget transfers between construction and non-construction work.

Extension requests shall not be processed without up- to-date performance and financial status reports and adequate justification.
4. DHS has no obligation to provide additional resources/funding due to an extension.

E. CLOSEOUT REPORTING PERIOD

S. TERMINATION PROVISIONS

1. General. The regulations at 2 C.F.R. §§ 200.340-343 set forth the administrative requirements concerning the termination of federal awards. Termination means the ending of a federal award, in whole or in part, at any time before the planned end of the period of performance. As required by 2 C.F.R. § 200.340(b), the purpose of this term and condition is to specify termination provisions applicable to the federal award in addition to those set forth in the regulations.
2. Termination by DHS. The regulation at 2 C.F.R. § 200.340(a) provides that DHS may unilaterally terminate the federal award in whole or part if the Recipient fails to comply with the terms and conditions of the federal award and when, to the greatest extent authorized by law, the federal award no longer effectuates the program goals or agency priorities. When terminating a federal award, the DHS will promptly notify the Recipient in writing via email of the termination that will set forth the reasons for the termination and the effective date of the termination. A Recipient may object and provide written information and documentation challenging the termination electronically via email to DHS within 30 days of receiving the termination notice. The termination notice may provide additional procedures for submitting an objection to the termination.
3. Termination with Consent. The regulation at 2 C.F.R. § 200.340(a) provides that DHS may terminate the federal award in whole or in part with the consent of the Recipient. In that case, DHS will work with the Recipient to identify mutually agreed upon termination conditions including the effective date, and, in the case of partial termination, the portion to be terminated. DHS will provide to the Recipient for concurrence a draft termination notice setting forth the agreed upon termination conditions and, following the Recipient's written concurrence, DHS will issue the final termination notice.
4. Termination by Recipient. The regulation at 2 C.F.R. § 200.340(a) provides that the Recipient may unilaterally terminate the federal award in whole or in part by sending DHS written notification setting forth the reasons for such termination, the

effective date, and, in the case of partial termination, the portion to be terminated. However, if DHS determines in the case of partial termination that the reduced or modified portion of the federal award will not accomplish the purposes for which DHS made the federal award, DHS will provide written notice to the Recipient of the possibility that DHS will terminate the entire federal award and provide the Recipient with the opportunity to withdraw its partial termination request. If the Recipient does not withdraw its request for partial termination within 30 days of receiving the written notice, DHS will initiate procedures to terminate the entire federal award for cause following the procedures in paragraph I.B.2.

5. Costs Incurred After Termination. The regulation at 2 C.F.R. § 200.343 provides that the cost to the Recipient resulting from financial obligations incurred by the Recipient after termination are not allowable unless the federal awarding agency expressly authorizes them in the notice of termination or subsequently authorizes them. This general prohibition does not apply where costs result from financial obligations properly incurred by the Recipient before the termination and are not in anticipation of termination and those costs would otherwise be allowable if the federal award has expired normally at the end of the period of performance. The regulation at 2 C.F.R. § 200.472 sets forth the potentially allowable costs following termination. The allowability of these costs is the same for all types of terminations and do not vary whether DHS unilaterally terminates a federal award, DHS terminates a federal award with consent, or the Recipient unilaterally terminates the federal award. The Recipient should contact DHS in cases where it seeks authorization of costs incurred following the termination of a federal award.

T. MONETARY DAMAGES

Monetary damages are not available to the Recipient in the event of a breach of the grant or cooperative agreement by DHS, such that the United States Court of Federal Claims does not have jurisdiction to render judgment upon any claim against the United States arising under the grant or cooperative agreement under 28 U.S.C. § 1491(a).

U. STANDARD OF REVIEW
