Award Amount: \$210,000.00

Synopsis: The purpose of this project is to establish and maintain life jacket loaner stations. Since 2008, the Sea Tow Foundation has distributed over 50,000 life jackets to local businesses and organizations across the country. The 575 life jacket loaner stations currently in operation are placed in locations where boaters will have easy access to the life jackets, such as boat ramps, marinas and parks. Boaters may borrow the life jackets at no cost and are asked to return them when they are finished so that they are available for others to use.
