## **Banking and Finance Sector**

8. *February 27, Fort Lauderdale Sun Sentinel* – (Florida) **6 Broward men face federal charges in debit-card skimming scheme.** Three of six Broward men remain at-large after skimming more than 400 bank customers' information across 12 cities. The accused installed hard-to-notice reader devices along with hidden cameras at more than 18 banks.

Source: <http://www.sun-sentinel.com/news/palm-beach/fl-federal-atm-skimming-20130226,0,6726149.story>

9. *February 26, Friendswood Journal* – (Texas) **Alvin man gets 27 years for multiple bank fraud.** A man who participated in a \$39 million scheme to defraud residential mortgage lenders and financial institutes insured by the Federal Deposit Insurance Corporation, was sentenced to 27 years in federal prison. The total loss for loans on over 100 properties totaled \$25 million.  
Source: [http://www.yourhoustonnews.com/friendswood/news/alvin-man-gets-years-for-multiple-bank-fraud-convictions/article\\_fa691d91-a9c1-56cf-8a0a-a41c28cf5ed8.html](http://www.yourhoustonnews.com/friendswood/news/alvin-man-gets-years-for-multiple-bank-fraud-convictions/article_fa691d91-a9c1-56cf-8a0a-a41c28cf5ed8.html)
10. *February 26, U.S. Securities and Exchange Commission* – (Washington, D.C.) **SEC charges Connecticut-based hedge fund managers with fraud.** An advisory firm and two hedge fund managers were charged by the SEC for lying to their investors about the fund's financial condition and structure before it failure during the financial crisis. The hedge fund restructured its fund to favor a large investor but falsified records and marketing materials to keep investors from becoming aware of the changes which might have affected their investment decision.  
Source: <http://www.sec.gov/news/press/2013/2013-28.htm>
11. *February 26, Lansdale Reporter* – (Pennsylvania) **Former Pottstown pastor convicted of mortgage fraud scheme.** A former pastor along with real estate professionals and a group of congregants participated in a scheme to fraudulently obtain \$6 million in home loans. Each participant faces maximum possible sentences of 180 years.  
Source:  
[http://www.thereporteronline.com/article/20130226/NEWS03/130229572/former-pottstown-pastor-convicted-of-mortgage-fraud-scheme#full\\_story](http://www.thereporteronline.com/article/20130226/NEWS03/130229572/former-pottstown-pastor-convicted-of-mortgage-fraud-scheme#full_story)
12. *February 26, Indianapolis Business Journal* – (Indiana) **Carmel family members accused of securities fraud.** The Indiana Secretary of State Office filed suit against a company and three of its members for securities fraud. The three members sold \$10.4 million in ownership interests in rental properties to investors, but did so without being registered to sell them and also failed to register its securities offerings with the State.  
Source: <http://www.ibj.com/carmel-family-members-accused-of-securities-fraud/PARAMS/article/39833>
13. *February 26, Montreal Gazette* – (International) **FBI probes \$10-million scam, Montreal company allegedly involved.** Companies in more than 40 States have been defrauded out of nearly \$10 million from a scam where a Montreal-based company allegedly requested lines of credit from business, ordered goods and rarely or never paid for purchased supplies.  
Source:

## **Water Sector**

20. *February 27, Virginian-Pilot*– (Virginia) **Sewer line break was years in the making.** Forensic engineers have concluded on the cause of a Hurricane Sandy sewage pipe rupture which led to a weeklong spillage of 18.3 million gallons of waste into a Nansemond River tributary. Engineers claimed an external blow to the 30-inch concrete sewage pipe many years ago weakened the section, making years of corrosion and the hurricane's abnormal pressure buildup from higher amounts of sewage to cause the break and the subsequent spillage.  
Source: <http://hamptonroads.com/2013/02/sewer-line-break-was-years-making>
21. *February 27, Monroe News* – (Michigan) **Second sewage spill at Monroe plant.** Although not reported to threaten public health or the environment, plant workers at DTE Energy's Monroe Power Plant discovered a second discharge in a two-week period, this time from a manhole. Plant officials said an electrical malfunction of the control system which operates pumps in a sewage lift station led to the 600-gallon sewage discharge.  
Source: <http://www.monroenews.com/news/2013/feb/27/second-sewage-spill-monroe-plant/>
22. *February 26, WTOV 9 Wheeling* – (West Virginia) **W.Va. DEP investigating 95,000 gallon wastewater spill in Marshall County.** The West Virginia Department of Environmental Protection is investigating a February 22 wastewater spill near a gas

drilling site. A Wheeling Jesuit University professor voiced concerns over the safety of the produced water claiming it could include chemicals that should not be drained into the Ohio River.

Source: <http://www.wtov9.com/news/news/wva-dep-investigating-950000-gallon-wastewater-spi/nWZ84/>

23. *February 26, Mobile Press-Register* – (Alabama) **Sewage overflows reported in Mobile, Prichard, Baldwin County.** Heavy rains February 25, led Mobile and Baldwin County health departments to issue area advisories about sewage spills. The warnings came after 21,000 gallons of sewage spilled into Big Mouth Gully was reported by a treatment plant.

Source: [http://blog.al.com/live/2013/02/sewage\\_overflows\\_reported\\_in\\_p.html](http://blog.al.com/live/2013/02/sewage_overflows_reported_in_p.html)
