Hey (b)(6)(b)(7)(C) and (b)(6)(b)(7)(C)

Just want to make sure that you are communicating directly with each other on this action. BPAM was planning on doing the CATEX for this action per conversation with (b)(6)(b)(7)(C). I would recommend keeping this in their wheelhouse since they will have to deal with all aspects related to use of the corridor. FOF may best act as a facilitator with GSA and provider of any site details and data.

Thanks,

OK, so all of CBP/BP's activities will occur in the 75 - 100' corridor on the east side of the site?
