Subject: CAE Quad Charts (new schedule)

All

There is a new schedule for providing program Quad Charts (a little easier than having separate cadence for pre-FOC vs post-FOC programs). See below from (b) (6), (b) (7)(C). Next due date for Enterprise Services programs is in mid March. I will ask for the charts to be sent to me by March 12 to allow time for my assessment and any questions I might have before submitting them to CAE's office. We will likely add a new program, HRM5000 for the May submission.

I am attaching the most recent set of charts for ES. I am lacking two programs and will reach out separately to close the gap for our portfolio. Thanks to all of you for your support and I look forward to our meeting in February.

**Program Level:** Level 1

**Program Type:** *Non-Information Technology*

### Program Description:

The CBP Office of Facilities and Asset Management (OFAM) Facilities Management and Engineering Division's (FM&E) Border Patrol & Air and Marine Program Management Office (BPAM PMO) manages the Tactical Infrastructure (TI) program in support of USBP operational requirements.

BPAM PMO in partnership with the U.S. Army Corps of Engineers (USACE), provides USBP with long-term planning, construction, and maintenance capabilities for the TI Program, which consists mainly of roads, wall (both pedestrian and vehicle), bridges, drainage structures, lighting systems, vegetation and debris removal and towers. The TI Program's most visible projects are the border wall and gates.

The purpose of the pedestrian and vehicle barrier is to impede and deny illegal cross-border activity by slowing, delaying, and acting as an obstacle to the adversary.

(b) (5)

We'd also like to request a meeting with officials from the U.S. Border Patrol to discuss how requirements for border wall prototypes and a future border wall design were developed. (b) (6), (b) (7)(C) suggested that meeting should include (b) (6), (b) (7)(C) (please excuse a misspelling), as he was involved in that process. (b) (6), (b) (7)(C) can you help me set up that meeting?

Ashley:

CBP/OFAM copied on this message wants to know if you can "narrow" the request at all for the planning documents for RGV? I think it would be best if you and (b) (6), (b) (7)(C)/OFAM (b) (6), (b) (7)(C) copied on his message discuss directly – perhaps a quick call? Thanks.

GAO question: "Is there additional documentation you could provide detailing the plans for RGV?"

Ashley:

I am seeking clarification on your question: "Is there additional documentation you could provide detailing the plans for RGV?" Is GAO referring to the "wall" project only or the "gates" project as well?

Thanks
