Thanks,

(b) (6), (b) (7) – USBP would like a few edits to the map.

Can you please provide a total on each map for the amount of Pedestrian Fence and Barrier specific to that map? So that all three maps added together total (b) (7)(E)?

And then for the second map, the same thing – totaling of the barrier, but also then a total for the Primary included on that map.

Let me know if you have any questions - we can chat on the phone first thing tomorrow morning if you have any issues with this.

Thanks!

Hi (b) (6), (b) (7)(C)

I marked up the map we received this morning.

Here's what we're looking for:

- 3 Maps for RGV – Zone O-1 through O-6, Zone O-7 through O-13 (which is what you had pulled already, Zone O-14 through the end of RGV)
- Add the zones for labels, but we don't need the mileages per segment
- All three will include the Primary Pedestrian Barrier and the Existing PF (Primary) – so for the third map we have no proposed barrier there
- Remove the Table up top
- Label the Maps as Rio Grande Valley Sector Proposed Border Wall System

Does this help?

Thanks,
