

Strategic Industry Conversation III

Doubling Down on the Unity of Effort

October 19, 2017

Homeland
Security

Plenary Session Panel: Threats to the Homeland – Critical Infrastructure, Disaster Response, and the Homeland Security Landscape

David Wulf, Acting Deputy Assistant Secretary, National Protection and Programs Directorate (Moderator)

David Grannis, Principal Deputy Under Secretary for Intelligence and Analysis

William Bryan, Acting Under Secretary, Science and Technology

James McDonnell, Director, Domestic Nuclear Detection Office

Katherine Fox, Senior Advisor, National Preparedness Directorate, FEMA

Private Sector Engagement Programs

- **Public-Private Analytic Exchange Program**

- Collaborative partnership between Private Sector and Government analysts consisting research teams exploring emerging trends in homeland and national security

- **Corporate Security Symposia**

- A series of regional day-long events held around the country to generate discussion among public and private sector partners regarding some of the most challenging issues our nation faces today

- **Classified Intelligence Program**

- Provides appropriately cleared, select members of the Critical Infrastructure Partnership Advisory Council with access to analytic products so the government can solicit feedback and gain overall customer insight to inform the development of future products

Plenary Session Panel: Creating a Roadmap for Moving Forward – Conversation with DHS Industry Partners

Michael Smith, Executive Director, Office of Selective Acquisitions, OCPO and Head of Contracting Activity, U.S. Secret Service (Moderator)
