

Public Comment Feedback Table for ISSI CSSI Conformance testing

Document Title: ISSI CSSI Equipment Conformance Test STR template 20181127

Comment Date: March 19, 2019

Commenter Name or Company: Motorola Solutions

#	Comment	Action	Explanation
M1	<p>Tab 1: General Info General – Above the Disclaimer in row 32, there is general information including identification of labs. It seems like there should be a section about the test tool used, version of test tool, validation info for the test tool used.</p>	Accepted	<p>A table for Test Tool Information will be added to the ISSI-RFSS tab, the CSSI-RFSS tab and the CSSI-CSS tab.</p>
M2	<p>Tab 2: ISSI-RFSS The table starting in row 28 (example, but multiple occurrences) asks the submitter to identify if Inter-WACN and/or Inter-System configurations were tested, but the Test Case tables only have a column for Inter-WACN. Should there be a column for Inter-System? (Similar question for Tab 3 and Tab 4 Test Case tables.</p>	Accepted	<p>Columns will be added for Inter System testing.</p>
