All, for review, edit and comment by 3:00 if possible today, attached is the draft of the memo S1 requested as noted below. Understanding that there are continued discussions which may impact timing and content, we'll want to provide this forward soonest through Exec Sec. I'm adding in Briana and Elizabeth who will assist in further tracking while I'm out of the office Monday and Tuesday (personal). Adding Christina for visibility regarding the forthcoming memo through the Exec Sec process.

Thanks all for the continued quick turn around and collaboration,

All,

Here are additional points to the below questions with an additional point for the overarching discussion of enforcement of laws and maintaining family unity as outlined in Section 1. Kevin/Matt, in light of tonight's meeting and tomorrow's Border PC, please add any additional points. Chip, if there any additional resource points missed please advise. We can then format per below or more formally as needed for S1 reference. We'll need all final answers by 8AM tomorrow latest.

We're pushing the principals discussion to tomorrow at 12:30 PM. I know the timing is unfairly tight, but is there any way to have a rough sketch of option on the table by 8PM tonight? Something like:

(b)(5)

We plan to address a wider range of issues as well, so please let us know everything you'd like principals to address.
