

**COMPUTER MATCHING AGREEMENT**  
**BETWEEN**  
**THE DEPARTMENT OF HOMELAND SECURITY, UNITED STATES**  
**CITIZENSHIP AND IMMIGRATION SERVICES (DHS-USCIS)**  
**AND**  
**THE MASSACHUSETTS DIVISION OF UNEMPLOYMENT ASSISTANCE (MA-**  
**DUA)**

**GENERAL TERMS AND CONDITIONS**

**A. PARTIES**

The parties to this Computer Matching Agreement (Agreement) are the Department of Homeland Security, U.S. Citizenship and Immigration Services (DHS-USCIS) and the Massachusetts Division of Unemployment Assistance (MA-DUA).

**B. TITLE OF MATCHING PROGRAM**

The title of this matching program as it will be reported by the Department of Homeland Security and the Office of Management and Budget is as follows: Verification Division DHS-USCIS/MA-DUA.

**C. PURPOSE AND LEGAL AUTHORITY**

1. *Purpose*

The purpose of this Agreement is to establish the terms and conditions governing MA-DUA's access to, and use of, the DHS-USCIS Systematic Alien Verification for Entitlements (SAVE) Program, which provides immigration status information from federal immigration records to authorized users, and to comply with the Computer Matching and Privacy Protection Act of 1988.

MA-DUA will use the SAVE Program to verify the immigration status of non U.S. citizens who apply for benefits (Benefit Applicants) under the Unemployment Compensation (UC) benefits that it administers. Under federal law, immigrant workers must be in particular immigration categories to qualify for UC benefits. MA-DUA will use the information obtained through the SAVE Program to determine whether Benefit Applicants possess the requisite immigration status to be eligible for the UC benefits administered by MA-DUA.

This Agreement describes the respective responsibilities of DHS-USCIS and MA-DUA to verify Benefit Applicants' immigration status while safeguarding against unlawful discrimination and preserving the confidentiality of information received from the other party. The requirements of this Agreement will be carried out by authorized employees and/or contractor personnel of DHS-USCIS and MA-DUA.

## 2. Legal Authorities

### a. Authority to Match Data

The Computer Matching and Privacy Protection Act of 1988 (CMPPA), Public Law 100-503, 102 Stat. 2507 (1988), as amended, was enacted as an amendment to the Privacy Act of 1974 (5 U.S.C. § 552a).

The CMPPA applies when computerized comparisons of Privacy Act-protected records contained within a federal agency's databases and the records of another organization are made in order to determine an individual's eligibility to receive a federal benefit. The CMPPA requires the parties participating in a matching program to execute a written agreement specifying the terms and conditions under which the matching program will be conducted.

DHS-USCIS has determined that the status verification checks to be conducted by the MA-DUA using the SAVE Program is a "matching program" as defined in the CMPPA.

### b. Agencies' Authority to Request Immigration Status Information

Section 121 of the Immigration Reform and Control Act (IRCA) of 1986, Public Law 99-603, as amended by the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 (PRWORA), Public Law 104-193, 110 Stat. 2168 (1996), requires DHS to establish a system for the verification of immigration status of alien applicants for, or recipients of, certain types of benefits as specified within IRCA, and to make this system available to state agencies that administer such benefits. Section 121(c) of IRCA amends Section 1137 of the Social Security Act and certain other sections of law that pertain to federal entitlement benefit programs. Section 121(c) requires state agencies administering these programs to use DHS-USCIS's verification system to make eligibility determinations in order to prevent the issuance of benefits to ineligible alien applicants. The SAVE Program is the DHS-USCIS system available to the MA-DUA and other covered agencies for use in making these eligibility determinations.

The Illegal Immigration Reform and Immigrant Responsibility Act of 1996 (IIRIRA), Public Law 104-208, 110 Stat. 3009 (1996) grants federal, state, or local government agencies seeking to verify or ascertain the citizenship or immigration status of any individual within the jurisdiction of the agency with the authority to request such information from DHS-USCIS for any purpose authorized by law.

MA-DUA will access information contained in the SAVE Program for the purpose of confirming the immigration status of alien applicants for, or recipients of, benefits it administers to discharge its obligation to conduct such verifications pursuant to Section 1137 of the Social Security Act (42 U.S.C. § 1320b-7(a) *et seq.*) and Massachusetts Gen. Laws ch. 151A, §25(h).

#### **D. JUSTIFICATION AND EXPECTED RESULTS**

The parties to this Agreement have determined that this computer matching program is justified because it is the most efficient and expeditious means of obtaining and processing the information needed by MA-DUA to verify the immigration status of Benefit Applicants for, and recipients of, UC benefits. It is expected that this matching program will enable MA-DUA to rapidly confirm the eligibility of Benefit Applicants with proper immigration status, identify those Benefit Applicants who require further checks to confirm proper eligibility status, and to identify and prevent improper payments to those Benefit Applicants whose immigration status does not entitle them to receive UC benefits administered by MA-DUA.

Available alternatives to the use of this computer matching program for verifying Immigration status would impose a much greater administrative and processing burden, would result in higher annual administrative costs, and would protract the average query response time. The anticipated savings to be derived from the use of the SAVE Program, including administrative costs and savings derived by eliminating fraudulent benefit payments, is \$19,088,155.00 based on historical savings. Using a computer matching program, MA-DUA is able to process, in an extremely expeditious manner, a higher volume of queries with reduced overall labor demands.

Additionally, because of the rapid response capability provided by this computer matching program, this program will have a greater deterrent effect on applicants seeking to fraudulently receive entitlement benefits administered by MA-DUA as compared to a much slower mail-in procedure. One of the major objectives of IRCA, to reduce incentives for undocumented entry and presence in the United States, is furthered by this matching program's deterrent effect. Finally, this system also supports efforts to curb waste, fraud, and abuse within federally-funded entitlement programs.

**F. NOTICE PROCEDURES**

DHS-USCIS agrees to publish in the Federal Register a notice of this matching program as specified in the CMPPA and the OMB CMPPA implementing guidance, available at 54 Fed. Reg. 25818, 25825-26 (June 19, 1989).

As required by 5 U.S.C. § 552a(o)(1)(D), MA-DUA will provide written notice to Benefit Applicants for and recipients of UC benefits that any information they provide may be subject to verification through the DHS-USCIS SAVE Program. At the time of the initial application for UC benefits, MA-DUA will inform in writing each Benefit Applicant covered by this Agreement that his or her immigration status may be verified by matching against federal immigration records and that MA-DUA cannot take any adverse action against the Benefit Applicant to delay, deny, reduce, or terminate the Benefit Applicant's application except as described in Section G of this Agreement.

**G. VERIFICATION PROCEDURES**

DHS-USCIS, upon receipt of an immigration status query from MA-DUA regarding a Benefit Applicant for UC benefits, agrees to provide MA-DUA through the SAVE Program the following information pertaining to the individual: SAVE Program verification number, name, date and country of birth, date of entry, and immigration status data. The SAVE Program may also provide information regarding periods of employment authorization and the name, address, and social security number of the Benefit Applicant's sponsor, if any, if requested by MA-DUA. See Section E for details.

DHS-USCIS agrees to provide MA-DUA with instructional materials required for the proper use of the SAVE Program. These instructional materials address the policies and procedures governing use of the program, including (1) program access, (2) verification procedures, (3) disclosure of information and privacy protections, and (4) nondiscrimination requirements. DHS-USCIS agrees to provide MA-DUA with a sufficient number of primary verification user codes to assure the effective implementation of this Agreement. DHS-USCIS agrees to provide MA-DUA with the name, address, and

telephone number of appropriate points of contact (POC) within DHS-USCIS, or its contractor organization, to answer any questions about the program, including its proper use and billing issues.

MA-DUA agrees to ensure the proper training of its employees and contractors in the use of the SAVE program, to ensure that its employees and contractors will complete all verification procedures necessary to determine immigration status before making any adverse determination against a Benefit Applicant for reasons relating to the Benefit Applicant's immigration status, to provide appropriate monitoring of MA-DUA's use of the SAVE program to protect against misuse and abuse, and to respond in a timely manner to possible misuse of the program.

To initiate a SAVE program query, MA-DUA agrees to provide the alien registration number, I-94 number, or other immigration identifier or document of each Benefit Applicant whose Immigration status must be verified in order to determine eligibility for UC benefits administered by MA-DUA. If the SAVE Program cannot determine an individual's records, requires additional information to provide an accurate response, or provides MA-DUA with information that does not match the status claimed by the individual, MA-DUA agrees that it will conduct additional verification through the SAVE program, including providing the individual an opportunity to address any mismatch or non-match by correcting his or her records with DHS-USCIS before making any adverse determination as a result of information produced by this matching program. To conduct these additional verification steps, MA-DUA agrees to provide the SAVE Program with an electronic description of the applicant's immigration document or a copy of the applicant's documentation and a completed Document Verification Form G-845. Alternatively, MA-DUA may scan the Benefit Applicant's immigration document and upload it to DHS-USCIS rather than submit a paper Form G-845 with an attached copy of the document. This additional information will help ensure that the SAVE Program is able to check all relevant federal immigration files to provide MA-DUA accurate immigration status information.

MA-DUA agrees that the information provided by the SAVE Program pursuant to this Agreement will be used solely for the purposes stated in this Agreement. MA-DUA also agrees that this information will not be disclosed to any other individuals or entities for any other purpose, except as authorized or required by federal and State law.

*1. Safeguards regarding the Use and Disclosure of Immigration Status Information*

Although the Privacy Act applies only to lawful permanent residents (LPRs) and U.S. citizens, pursuant to the Department of Homeland Security's (DHS) Privacy Policy Guidance Memorandum 2007-1, to the extent practicable, privacy protections afforded to U.S. citizens and LPRs are afforded to non-LPRs and noncitizens.

MA-DUA agrees to use the SAVE Program in a manner that protects the Benefit Applicant's privacy to the maximum degree possible.

MA-DUA also agrees to comply with any additional requirements imposed by other applicable federal benefit program regulations, including but not limited to, those setting forth standards for the safeguarding, maintenance, and disposition of information received under this Agreement.

MA-DUA agrees not to delay, deny, reduce, or terminate any Benefit Applicant's UC benefits for reasons relating to the Benefit Applicant's Immigration status as a result of information produced by this matching program unless (1) all verification prompts have been followed, and (2) the Benefit Applicant has been afforded the opportunity to correct any adverse or discrepant information provided by the SAVE Program as described in this section of the Agreement.

DHS-USCIS reserves the right to use or share information it receives from MA-DUA for any purpose permitted by Massachusetts' state or Federal law, including, but not limited to M. G. L. c. 151A, § 46, and 20 C.F.R. § 603.3 *et seq.*,

DHS-USCIS may terminate this Agreement without prior notice if: (1) required by law or policy, (2) there is a breach of system integrity or security, or (3) MA-DUA fails to comply with this Agreement, SAVE Program rules and procedures, or other legal requirements.

MA-DUA agrees to immediately notify DHS-USCIS within 24 hours whenever there is cause to believe an information breach has occurred. For the purposes of this Agreement, "breach" is the same as defined in OMB Memorandum M-07-16. It includes loss of control, compromise, unauthorized disclosure, unauthorized acquisition, unauthorized access, or any similar term referring to situations where persons other than authorized users and for an other than authorized purpose have access or potential access to personally identifiable information covered in this Agreement, whether physical or electronic.

DHS-USCIS agrees to immediately notify MA-DUA within 24 hours whenever there is cause to believe an information breach has occurred and the information affected by the breach includes information that MA-DUA provided to DHS-USCIS or information pertaining to Benefit Applicants. The response to a breach of MA-DUA information shall be determined jointly by DHS-USCIS and MA-DUA to include at a minimum the immediate notification of DHS United States Computer Emergency Readiness Team (US-CERT), the USCIS Office of Privacy, and the USCIS Service Desk.

Nothing in this CMA is intended, or should be construed, to create any right or benefit, substantive or procedural, enforceable at law by any third party against the United States, its agencies, officers, or employees.

## 2. Non-Discrimination

DHS-USCIS and MA-DUA agree that this Agreement will be implemented and administered in a manner that does not unlawfully discriminate against Benefit Applicants

on any protected basis, including race, color, national origin (including limited English proficiency), sex (including sexual orientation and gender identity), religion, disability, or age, and in a manner that does not retaliate against applicants for asserting their right to fair treatment and as is consistent with the rights of individuals under federal and State law, and implementing regulations, including, as applicable, Title VI of the Civil Rights Act of 1964 (42 U.S.C. § 2000d *et seq.*), Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. § 794 *et seq.*), the Age Discrimination Act of 1975 (42 U.S.C. § 6101 *et seq.*), Title II of the Americans with Disabilities Act (42 U.S.C. § 12115 *et seq.*), the Homeland Security Act of 2002, as amended (6 U.S.C. §§ 111(b)(1)(G), 345), and M.G.L. c. 151B § 4.

Consistent with the requirements of federal and State law, including Title VI of the Civil Rights Act of 1964, Executive Order 13166 (“Improving Access to Services for Persons with Limited English Proficiency” (Aug. 11, 2000)) and 430 Code of Mass. Regs. 4.16-4.20, DHS-USCIS and MA-DUA will take reasonable steps to provide meaningful access to persons with limited English proficiency who are engaging in these processes. Similarly, consistent with the requirements of federal and State law, including, as applicable, Title II of the Americans with Disabilities Act, Section 504 of the Rehabilitation Act of 1973, and M.G.L. c. 151B § 4. DHS-USCIS and MA-DUA will provide accommodations to individuals with disabilities to ensure effective communication related to these processes.

### *3. Records Relating to United States Citizens*

Nothing in this Agreement authorizes MA-DUA to use the DHS-USCIS system for the purpose of verifying the status of any individual claiming U.S. citizenship by birth. If, however, DHS-USCIS receives a request for a verification of a MA-DUA applicant who is an LPR, other immigrant or nonimmigrant, or a naturalized or derived U.S. citizen, the request may be referred to DHS-USCIS for additional verification procedures. All safeguards and protections provided by the Privacy Act, CMPPA, and this Agreement regarding the use, disclosure, and security of DHS-USCIS records apply to DHS-USCIS records regarding U.S. citizens at least to the same extent as to the DHS-USCIS records relating to LPR aliens and other immigration statuses.

## **H. DISPOSITION OF MATCHED ITEMS**

Records created by the SAVE Program to verify immigration status or employment authorization are stored and retained in the VIS Repository for ten (10) years from the date of the completion of the verification process unless the records are part of an on-going investigation in which case they may be retained until completion of the investigation. Copies of immigration documents submitted in paper form or electronically as an attachment to the Form G-845 to DHS in response to a request for additional verification will be maintained until the completion of the verification process. Following this process, DHS-USCIS destroys the paper copies. Electronic records are retained for ten years in accordance with the relevant National Archives and Records Administration records control schedule, N1-566-08-007.

## **I. SECURITY PROCEDURES**

### *1. Security Measures*

DHS-USCIS agrees to safeguard information it receives from MA-DUA in connection with status verification inquiries in accordance with the Privacy Act of 1974 (5 U.S.C. § 552a), IRCA, other applicable statutes, and the requirements of this Agreement between the parties.

DHS-USCIS agrees to safeguard the information provided by MA-DUA in accordance with DHS-USCIS disclosure standards and to provide the name of DHS-USCIS's program inspector responsible for compliance with these standards. DHS USCIS agrees to use the National Information Exchange (NIEM) protocol as the data exchange protocol when and if MA-DUA can accept messages using this protocol. Individuals who wish to obtain copies of records pertaining to themselves resulting from queries submitted to the SAVE Program may do so by following the Freedom of Information Act and Privacy Act procedures that can be found at <https://www.uscis.gov/about-us/freedom-information-and-privacy-act-foia/uscis-freedom-information-act-and-privacy-act>.

The DHS-USCIS's data facility where MA-DUA and DHS-USCIS information is stored complies with requirements of the Department of Homeland Security, National Security Systems Policy Directive 4300B. It is a secure facility accessed only by authorized individuals with properly coded key cards, authorized door keys, or access authorization. There is a security guard force on duty 24 hours a day, 7 days a week. The building is protected against unauthorized access, unauthorized use of equipment, or removal of storage media and listings. Employees at the facility have undergone background checks in order to be granted clearance and are provided access badges.

MA-DUA agrees to safeguard information it receives from DHS-USCIS under the verification process in accordance with the requirements of the Privacy Act (5 U.S.C. § 552a(e)(10)), and applicable federal and state entitlement benefit program record retention, disclosure, and disposal requirements. MA-DUA will dispose of the records in accordance

with its entitlement benefit program record retention schedule. If no schedule exists, MA-DUA agrees to destroy the record upon adjudication of the benefit.

MA-DUA also agrees to limit access to information to those individuals responsible for the verification of the alien's immigration status or who require access to the information to perform necessary support functions. MA-DUA agrees to restrict further dissemination of the information unless required in connection with state or the federal entitlement program or law enforcement responsibilities.

MA-DUA has taken measures to secure information received from DHS-USCIS for purposes of the matching program in accordance with applicable State and Federal entitlement program rules procedures. MA-DUA's offices are located in secure buildings, and access to premises is by official identification. All records are stored in secure facilities that are maintained by MA-DUA or a government contractor, which are locked during non-duty hours. Records are stored in cabinets or machines, which are also locked during duty and non-duty office hours. Access to automated records is controlled by user identification and passwords.

The computer security systems used by both DHS-USCIS and MA-DUA offer a high degree of resistance to tampering and circumvention. Multiple levels of security are maintained within their computer system control programs. Both security systems limit access to authorized personnel strictly on a "need-to-know" basis, and control an individual user's ability to access and alter records within the system. All users are given a unique ID and interactions with the system are recorded.

## *2. Monitoring and Compliance*

As the agency sharing its data, DHS-USCIS reserves the right to make onsite inspections to monitor and review all records and documents related to the use, abuse, misuses, fraudulent use, or improper use of SAVE by MA-DUA, and for the purposes of auditing compliance, if necessary, during the lifetime of this Agreement or during any extension of this Agreement.

Furthermore, SAVE Monitoring and Compliance may conduct desk audits and/or site visits to review MA-DUA's compliance with this Agreement and all other SAVE related policy, procedures, guidance, and laws applicable to conducting verification and to safeguarding, maintaining, and disclosing any data provided or received pursuant to this Agreement.

SAVE Monitoring and Compliance may perform audits of MA-DUA's SAVE User IDs use and access, SAVE training records, SAVE financial records, system profiles, and usage patterns and other relevant data.

SAVE Monitoring and Compliance may interview any and all of MA-DUA's SAVE system users and any and all contractors or other personnel within MA-DUA regarding any

and all questions or problems that may arise in connection with MA-DUA's participation in SAVE.

SAVE Monitoring and Compliance may monitor system access and usage and assist MA-DUA as necessary to ensure compliance with the terms of this Agreement and the SAVE Program requirements by its authorized agents or designees.

MA-DUA agrees to designate a Compliance Officer who will be responsible for agency-wide coordination of compliance with the requirements of this Agreement and SAVE Program user guides, including but not limited to requirements related to training, notice, verification procedures, privacy, and anti-discrimination. MA-DUA agrees to ensure that the Compliance Officer is a senior level employee who will serve as a liaison with DHS-USCIS to resolve questions regarding this Agreement and to facilitate the provision of accurate immigration status verification information. MA-DUA agrees to provide DHS-USCIS with the name, address, title, and telephone number of the Compliance Officer.

MA-DUA will take corrective measures in a timely manner to address all lawful requirements and recommendations on every written finding including, but not limited to, those of SAVE Monitoring and Compliance regarding waste, fraud, and abuse, and discrimination or any misuse of the system, non-compliance with the terms, conditions, and safeguards of this Agreement, SAVE Program procedures or other applicable laws, regulations, or policy.

#### **J. RECORDS USE, DUPLICATION, AND REDISCLOSURE RESTRICTIONS**

The parties agree to comply with the data maintenance and disclosure control requirements specified within Part I of this Agreement. The MA-DUA agrees not to duplicate or re-disclose any records received from DHS-USCIS pursuant to this matching Agreement, except when it is required by law or is essential to the conduct of the matching program, i.e., it is necessary to verify the immigration status of alien applicants for, and recipients of, UC benefits administered by MA-DUA (including follow-up actions). Additionally, if the matching program uncovers evidence of fraudulent claims or the use of fraudulent immigration documents, or unlawful discrimination or other misuse of the SAVE program, DHS may re-disclose the records as permitted by Massachusetts' state and Federal law including, but not limited to M. G. L. c. 151A, § 46, and 20 C.F.R. § 603.3 *et seq.*, if essential to the conduct of the matching program and as otherwise permitted by routine use G of the DHS/USCIS-004 Systematic Alien Verification for Entitlements SORN to conduct law enforcement investigations or prosecutions, or as otherwise required by law.

#### **K. RECORDS ACCURACY ASSESSMENT**

DHS-USCIS currently estimates that information within its VIS database is 90–95% accurate in reflecting immigration status, but continues to undertake various actions to further improve the quality of the VIS database. In addition, in cases in which status is not confirmed through VIS, or when the status information provided by VIS does not match

an individual's claimed status, additional verification procedures are used, which allows DHS-USCIS to check all necessary indices and files before providing MA-DUA with immigration status information through additional manual verification. This process includes procedures for DHS-USCIS to correct any errors detected in the immigration status information.

#### **L. COMPTROLLER GENERAL ACCESS**

The GAO (Comptroller General) may have access to all of the matching records of MA-DUA that the Comptroller General deems necessary to monitor or verify compliance with this Agreement. In the event that the Comptroller General requires access to the matching records of MA-DUA, the parties agree to enter into a written agreement consistent with the requirements of 20 C.F.R. § 603.3 *et seq.*, regarding the confidentiality of the records.

#### **M. NOTICE AND OPPORTUNITY TO CONTEST**

The MA-DUA may not suspend, terminate, reduce, or make a final denial of UC benefit eligibility of a Benefit Applicant covered by this Agreement based on that Benefit Applicant's immigration status, or take other adverse action against such individual as a result of information produced by this matching program until:

1. MA-DUA independently verifies the information, or
2. The Benefit Applicant receives a notice from MA-DUA containing a statement of its findings and informing the individual of the opportunity to contest such findings; and
  - a. the expiration of any time period established for the UC benefit by statute or regulation for the Benefit Applicant to respond to that notice; or
  - b. in the case of a UC benefit for which no such period is established, the end of the 30-day period beginning on the date on which notice is mailed or otherwise provided to the individual.

#### **N. COMPENSATION**

MA-DUA shall pay the standard billing rates in accordance with the terms of the Anticipated Collections Addendum and arrange the obligations, processes and methods related to the payment of required fees to DHS-USCIS and/or its authorized agents.

The current standard billing rates are attached. The standard billing rates and methods of payment are subject to change upon prior written notification to the MA-DUA.

#### **O. EFFECTIVE DATE**

This Agreement will be effective 40 days after a report concerning the computer matching

program has been transmitted to the Office of Management and Budget (OMB) and transmitted to Congress along with a copy of the Agreement, or 30 days after publication of a computer matching notice in the Federal Register, whichever is later. The Agreement (and matching activity) will continue for 18 months from the effective date, unless within three (3) months before the expiration of this Agreement, the Data Integrity Board approves a one-year extension pursuant to 5 U.S.C. § 552a(o)(2)(D).
