# I. Legislative Language

This report has been prepared pursuant to language in Senate Report 114-264 accompanying the Fiscal Year (FY) 2017 Department of Homeland Security (DHS) Appropriations Act (P.L. 115-31), which states, in part:

The Department shall continue to submit quarterly obligation reports to the Committee for all DHS reception and representation expenses as required in prior years. The Department shall refrain from using funds available for reception and representation to purchase unnecessary collectibles or memorabilia.

This report is cumulative through the second quarter of FY 2017, ending March 31, 2017.

## II. Background

### A. Terminology

**Official Reception:** An occasion for which the primary purpose is to explain or interpret the programs of DHS. Events may be held in the United States or in foreign countries and may be attended by domestic or foreign officials or others being entertained for official purposes.

**Representation:** Entertainment primarily of foreign dignitaries in a foreign country in connection with the interests of DHS. Representation also may include official entertainment of domestic or foreign officials within or outside the borders of the United States, where the principal purpose of the event is related to a responsibility or a concern of DHS.

### B. Official Reception and Representation (ORR) Funds

DHS uses appropriated funds for ORR purposes, as defined in Section IIA of this report. ORR funds may be expended only to extend official courtesies to guests of the United States and DHS for the purpose of maintaining the standing and prestige of the United States and DHS. ORR funds may be used to fund official activities that further the interests of DHS or to extend official courtesies for other distinguished and prominent citizens who have made a substantial contribution to the United States or DHS. ORR funds are used for expenses incurred in connection with official agency events, typically characterized by a mixed ceremonial, social, and/or business purpose, and hosted in a formal sense by high-level agency officials. ORR funds are not used to pay for the cost of meals or refreshments for U.S. Government employees in connection with routine interagency or intra-agency working meetings.

DHS extends official courtesies to federal, state, and local dignitaries and officials such as the President and the Vice President of the United States, members of the Cabinet, members of Congress and their professional staff, governors, mayors, citizen committees, and other distinguished or prominent citizens who have made a substantial contribution to the Nation or to DHS. The courtesies extended include the cost of luncheons, dinners, receptions, mementos, and participation expenses at DHS-sponsored events.
