Volume 001-14

Enterprise Acquisition Gateway for Leading-Edge Solutions II (EAGLE II)

Answers and Clarifications

1. **Can an EAGLE II Prime Contractor or Core Team member perform work as a subcontractor in a Functional Category (FC) in which they did not receive an EAGLE II contract award?**

EAGLE II Prime Contractors can only perform as subcontractors in the FC in which they have an award. Thus, Prime Contractors cannot “cross” FCs under the EAGLE II Contract.

Core Team members may perform as subcontractors across all EAGLE II FCs.

2. **Please provide clarification on the “Limitations on Subcontracting” clause, FAR 52.219-14 and F.8.4, Annual Small Business 50% Report.**

Clause 52.219-14 is only applicable to the EAGLE II Small Business Track Prime Contractors. In regards to the EAGLE II contract the clause is applied as follows: for **each** task order awarded as a result of a small business set-aside competition, at least 50% of the cost of task order performance incurred for personnel shall be expended for employees of the Small Business Prime Contractor. In order for the EAGLE II Administration and Contract Team to ensure that the EAGLE II Small Business Track Prime Contractors are in compliance with FAR 52.219-14, the Small Business Prime Contractors must submit an Annual Small Business 50% Report on the anniversary of their contract award. The Report should show the total cost of labor on all work performed under all set-aside task orders during the 12-month reporting period, and the total subcontracted labor cost during the same period. As such, for task orders awarded as a set-aside, the combined total of all set-aside task orders issued during the 12-month reporting period must reflect that the Prime Contractor has performed at least 50% of costs incurred for personnel using its own employees.

3. **Submission of Monthly Task Order Reports**

The EAGLE II Contractors shall submit a “Monthly Task Order Activity Report,” as required by EAGLE II Contract, Section - F.8.1 Contract Status Report. If there is no activity during the reporting period, “**no activity**” shall be annotated in the monthly report and submitted as specified in Section J – *List of Attachments*, Attachment F-1 *EAGLE II Monthly Contract Status Report* in accordance with the instructions and the example provided within the spreadsheet.

Note: A modified version of the report format will be provided with instructions in the near future. Until that time, continue to use the current report format referenced herein. The Monthly Task Order (TO) Activity Report and copies of all basic TOs, including TO modifications that have been issued within the monthly reporting period shall be emailed to all of the following:

DHSEAGLEIIADMIN@dhs.gov

DHSEAGLEIIPM@hq.dhs.gov

SSPO_EAGLEIIReports@hq.dhs.gov

EAGLE2Reporting@hq.dhs.gov

4. **EAGLE II Post Award Conference**

Due to protests received on the most recently awarded EAGLE II FC1 small business tracks, the Post Award Conferences have been delayed. Applicable Contractors will receive an email notification from John Nash regarding the Post-Award Conference once it is scheduled. John is a Contract Specialist working on the EAGLE II Contract. Please submit any inquiries to the ACO at DHSEAGLEIIADMIN@dhs.gov and the PM/COR at DHSEAGLEIIPM@hq.dhs.gov.
