

## Department of Homeland Security (DHS) FY 2017 Planned Analysis of Service Contract Inventory

### FY 2017 Analysis of All Proposed Requirements for Services

For the FY 2017 Service Contract Inventory analysis, DHS will evaluate all proposed requirements for services valued at greater than or equal to the \$150,000 Simplified Acquisition Threshold (SAT). This includes 17 Product and Service Codes (PSCs) identified as DHS’ “Special Interest Functions – those considered critical to the department’s mission, and all other designated PSCs. Excluded from the analysis are those listed on DHS PSC exemption list, identified by the department as non-critical, low risk, routine, etc.

Listed in the chart below are the DHS “Special Interest Functions (SIF).”
