49	2017-IAFO-00045	(b) (6)	Private Individual	<p>DHS and DNI issued a statement on behalf of the intelligence community stating Russia was responsible for the unauthorized access and release of records pertinent to the 2016 presidential election. The statement does not indicate there was investigative manpower used in arriving at their conclusion independently. Currently this statement is in dispute. I would like to know directly from DHS and/or DNI if all the members agency heads of the intelligence community arrived at this conclusion or if it was assumed they would support after the release of the press release. What are the facts? I cannot make a determination based upon partisan politics and biased media to report. Thank you.</p>

Lastly, I seek any and all records mentioning or referring to PROTESTS and DONALD TRUMP. 1. Instructions Regarding "Leads": As required by the relevant case law, the USSS components should follow any leads it discovers during the conduct of its searches and perform additional searches when said leads indicate that records may be located in another system. Failure to follow clear leads is a violation of FOIA. 2. Request for Public Records: Please search for any records even if they are already publicly available. 3. Request for Electronic and Paper/Manual Searches: I request that searches of all electronic and paper/manual indices, filing systems, and locations for any and all records relating or referring to the subject of my request be conducted. 4. Request for Search of Filing Systems, Indices, and Locations: I request that the USSS components search all of its offices and components, which are likely to contain responsive records. 5. Request regarding Photographs and other Visual Materials: I request that any photographs or other visual materials responsive to my request be released to me in their original or comparable forms, quality, and resolution. For example, if a photograph was taken digitally, or if the DHS components maintains a photograph digitally, I request disclosure of the original digital image file, not a reduced resolution version of that image file nor a printout and scan of that image file. Likewise, if a photograph was originally taken as a color photograph, I request disclosure of that photograph as a color image, not a black and white image. Please contact me for any clarification on this point. 6. Request for Duplicate Pages: I request disclosure of any and all supposedly "duplicate" pages. Scholars analyze records not only for the information available on any given page, but also for the relationships between that information and information on pages surrounding it. As such, though certain pages may have been previously released to me, the existence of those pages within new context renders them functionally new pages. As such, the only way to properly analyze released information is to analyze that information within its proper context. Therefore, I request disclosure of all "duplicate" pages. 7. Request to Search Emails: Please search for emails relating to the subject matter of my request. 8. Request for Search of Records Transferred to Other Agencies: I request that in conducting its search, the
