Section 835 of the Homeland Security Act, 6 U.S.C. 395, prohibits the Department of Homeland Security from entering into any contract with a foreign incorporated entity which is treated as an inverted domestic corporation as defined in this clause, or with any subsidiary of such an entity. The Secretary shall waive the prohibition with respect to any specific contract if the Secretary determines that the waiver is required in the interest of national security.

(b) Definitions. As used in this clause:

Expanded Affiliated Group means an affiliated group as defined in section 1504(a) of the Internal Revenue Code of 1986 (without regard to section 1504(b) of such Code), except that section 1504
of such Code shall be applied by substituting 'more than 50 percent' for 'at least 80 percent' each place it appears.

Foreign Incorporated Entity means any entity which is, or but for subsection (b) of section 835 of the Homeland Security Act, 6 U.S.C. 395, would be, treated as a foreign corporation for purposes of the Internal Revenue Code of 1986.

Inverted Domestic Corporation. A foreign incorporated entity shall be treated as an inverted domestic corporation if, pursuant to a plan (or a series of related transactions)—

(1) The entity completes the direct or indirect acquisition of substantially all of the properties held directly or indirectly by a domestic corporation or substantially all of the properties constituting a trade or business of a domestic partnership;

(2) After the acquisition at least 80 percent of the stock (by vote or value) of the entity is held—

   (i) In the case of an acquisition with respect to a domestic corporation, by former shareholders of the domestic corporation by reason of holding stock in the domestic corporation; or

   (ii) In the case of an acquisition with respect to a domestic partnership, by former partners of the domestic partnership by reason of holding a capital or profits interest in the domestic partnership; and

(3) The expanded affiliated group which after the acquisition includes the entity does not have substantial business activities in the foreign country in which or under the law of which the entity is created or organized when compared to the total business activities of such expanded affiliated group.

Person, domestic, and foreign have the meanings given such terms by paragraphs (1), (4), and (5) of section 7701(a) of the Internal Revenue Code of 1986, respectively.

(c) Special rules. The following definitions and special rules shall apply when determining whether a foreign incorporated entity should be treated as an inverted domestic corporation.

(1) Certain stock disregarded. For the purpose of treating a foreign incorporated entity as an inverted domestic corporation these shall not be taken into account in determining ownership:

   (i) Stock held by members of the expanded affiliated group which includes the foreign incorporated entity; or

   (ii) Stock of such entity which is sold in a public offering related to an acquisition described in section 835(b)(1) of the Homeland Security Act, 6 U.S.C. 395(b)(1).

Plan deemed in certain cases. If a foreign incorporated entity acquires directly or indirectly substantially all of the properties of a domestic corporation or partnership during the 4- year
period beginning on the date which is 2 years before the ownership requirements of subsection (b)(2) are met, such actions shall be treated as pursuant to a plan.

(2) Certain transfers disregarded. The transfer of properties or liabilities (including by contribution or distribution) shall be disregarded if such transfers are part of a plan a principal purpose of which is to avoid the purposes of this section.

(d) Special rule for related partnerships. For purposes of applying section 835(b) of the Homeland Security Act, 6 U.S.C. 395(b) to the acquisition of a domestic partnership, except as provided in regulations, all domestic partnerships which are under common control (within the meaning of section 482 of the Internal Revenue Code of 1986) shall be treated as a partnership.

(e) Treatment of Certain Rights.

(1) Certain rights shall be treated as stocks to the extent necessary to reflect the present value of all equitable interests incident to the transaction, as follows: (i) Warrants; (ii) Options; (iii) Contracts to acquire stock; (iv) Convertible debt instruments; (v) Others similar interests.

Rights labeled as stocks shall not be treated as stocks whenever it is deemed appropriate to do so to reflect the present value of the transaction or to disregard transactions whose recognition would defeat the purpose of section 835.

(f) Disclosure. The offeror under this solicitation represents that [Check one]:

E.8 NOTICE OF FILING REQUIREMENTS FOR AGENCY PROTESTS

A. Preface
Prior to submission of an agency protest, all parties must use their best efforts to resolve concerns raised by an interested party. FEMA offers, as an option for dispute resolution, Alternative Dispute Resolution (ADR). ADR in an informal, expeditious and inexpensive way to resolve contract issues and is designed to promote satisfying solutions and fair procedures. For more information on FEMA's ADR services, please contact FEMA's ADR office at the following address:

Federal Emergency Management Agency
FEMA ADR Office
Office of Alternative Dispute Resolution
400 Virginia Ave.
Washington, DC 20472

If concerns cannot be resolved, protesters may use these procedures when a resolution is requested from the agency.

These procedures have been designed to create an avenue for resolving third party grievances in connection with the acquisition process outside of formal processes through the Government Accountability Office (GAO) and the United States Court of Federal Claims (CFC). Filing an agency protest is not a prerequisite to filing at the GAO or CFC. If the protester files a protest through the GAO or CFC while their protest is pending at the agency level, FEMA may dismiss the agency protest.

Pursuing an agency protest does not extend the time for obtaining a stay at GAO.

These procedures are in addition to the existing protest procedures contained in FAR Subpart 33.103.

B. Definitions.

(1) "Agency protest," as used in this SOP, is one that may be filed with either the Contracting Officer or the officer responsible for the resolution of all agency protests filed at the level above the Contracting Officer.

(2) "Ombudsman," as used in this SOP, is the agency official above the level of the Contracting Officer designated by the Director of the Acquisition Management Division to handle and issue the formal agency decision resolving the protest. Protesters using these procedures may protest directly to the Ombudsman.

(3) "Day," as used in this SOP, is a calendar day. In computing a period of time for the purpose of these procedures, the day from which the period begins to run is not counted. When the last day of the period is a Saturday, Sunday or a Federal holiday, the period extends to the next day that is not a Saturday, Sunday or a Federal holiday. Similarly, when the Washington, DC offices of FEMA are closed for all or part of the last day, the period extends to the next day on which the Agency is open.

C. Submission Guidelines.
(1) Agency protests may be filed through the Contracting Officer or, at the level above the Contracting Officer, through the Ombudsman either by FAX transmission or by "Certified Mail" (Return Receipt Requested) as follows:

a. Protests filed through the Contracting Officer or the Ombudsman must be mailed, via certified-mail, return-receipt requested, or faxed to 202-646-1765, care of:

Mr. David J. Orris  
Agency Protest Ombudsman  
Office of Chief Procurement Officer (OCPO)  
DHS/Federal Emergency Management Agency  
Building D, Room 123  
16825 South Seton Avenue  
Emmitsburg, MD 21727  

--OR--  
Sam Anasnai  
Contracting Officer  
Federal Emergency Management Agency  
Office of the Chief Procurement Officer  
500 C Street SW, Floor  
Washington, DC 20472-3205

b. The outside of the envelope or beginning of the FAX transmission must be marked "Agency Protest".

c. If the protester submits the protest directly through the Ombudsman, the protester must also, within one (1) day of submitting the protest to the Ombudsman, submit a copy of the protest to the responsible Contracting Officer either by FAX transmission or by "Certified Mail" (Return Receipt Requested).

(2) To be filed on a given day, protests and any subsequent appeals must be received by 4:30 PM, current-local time. Any protests received after that time will be considered to be filed on the next day.

(3) Protest submissions will not be considered filed until all of the following information is provided:

a. the protester's name, address, telephone number and fax number;

b. the solicitation or contract number;

c. a detailed statement of all factual and legal grounds for protests, to include an explanation of how the protester was prejudiced;

d. copies of relevant documents;

e. a request for ruling by the agency;

f. a statement detailing the form of relief requested;
g. all information establishing that the protester is an interested party for the purposes of filing a protest; and

h. all information establishing the timeliness of the protest.

(4) All protests must be signed by an authorized representative of the protester, and must be addressed to the Contracting Officer or the Ombudsman.

D. Timeliness/Resolution of Protests.

(1) Protests based upon alleged improprieties in a solicitation which are apparent prior to bid opening or the time set for receipt of initial proposals shall be filed prior to bid opening or the time set for receipt of initial proposals. In procurements where proposals are requested, alleged improprieties which do not exist in the initial solicitation but which are subsequently incorporated into the solicitation must be protested not later than the next closing time for receipt of proposals following the incorporation.

(2) Protests other than those covered by paragraph (1) of this section shall be filed not later than 10 days after the basis of protest is known or should have been known (whichever is earlier), with the exception of protests challenging a procurement conducted on the basis of competitive proposals under which a debriefing is requested and, when requested, is required. In such cases, with respect to any protest basis which is known or should have been known either before or as a result of the debriefing, the initial protest shall not be filed before the debriefing date offered to the protester, but shall be filed not later than 10 days after the date on which the debriefing is held.

(3) Protests filed through the Contracting Officer.

a. Within twenty (20) days after the protest is filed through the Contracting Officer, the Contracting Officer will send a written ruling and a summary of the reasons supporting the ruling to the protester by "Certified Mail (Return Receipt Requested)".

b. Appeals

i. Protesters who filed protests through the Contracting Officer may, within five (5) days of receipt of the Contracting Officer's written ruling, appeal to the Ombudsman.

ii. Requests for Appellate Review must be submitted to the Ombudsman by FAX transmission or by "Certified Mail" (Return Receipt Requested).

iii. The Ombudsman will send a written ruling and a summary of the reasons supporting the ruling to the protester by "Certified Mail (Mail Receipt Requested)" within ten (10) days of receipt of the request for appellate review of the Contracting Officer's decision.

iv. In accordance with FAR 33.103(d)(4) and 4 C.F.R 21.2(a)(3), if there is an agency appellate review of the Contracting Officer's decision on the protest, it will not extend GAO'S timeliness requirements. Therefore, any subsequent protest to the GAO must be filed within ten (10) days of knowledge of initial adverse agency action.
(4) Protests filed through the Ombudsman:

a. If the protester protests directly through the Ombudsman, the Ombudsman will send a written ruling and a summary of the reasons supporting the ruling to the protester by "Certified Mail (Mail Receipt Requested)" within thirty-five (35) days after the protest was filed.

b. Protests filed directly through the Ombudsman cannot be appealed within the agency.

E. Dismissal of Protests.

The agency may dismiss protests when protesters file protests through the GAO or CFC while their protests are pending at the agency level; and for failure to comply with any of the requirements of these agency protest procedures. For example, the agency may dismiss protests that are procedurally or substantively defective (e.g., the protest is untimely or the protest fails to clearly state legally sufficient grounds of protest).
