Human Portable Tripwire (HPT)

The Department of Homeland Security (DHS) awarded an Indefinite Delivery/Indefinite Quantity (IDIQ) contract for DHS Components to procure Human Portable Tripwire (HPT) systems and associated support services.

Key Contract Vehicle Features:

- Includes a one-year warranty, optional one-year warranty extension, maintenance support, training, and documentation.
- Maintains lower overall prices compared to industry standards due to volume discounts;
- Streamlines procurement by reducing contracting actions and number of orders; and
- Equipment was tested by Countering Weapons of Mass Destruction Office (CWMD).

Period of Performance (POP):

One-year base, plus four one-year options

Number of Awardees:

One large business
