

## Microsoft Enterprise Services

The Department of Homeland Security (DHS) established a Department-wide Indefinite Delivery/Indefinite Quantity (IDIQ) contract with Microsoft Corporation for Microsoft Enterprise Services. This contract vehicle includes Microsoft Consulting Services and Microsoft Premier Support. The IDIQ provides DHS Components the ability to obtain Microsoft resources to support the architectural design, knowledge transfer, new product implementation, and product support for existing DHS Microsoft investments.

### Key Contract Vehicle Features:

- Supports all current Microsoft technologies, cloud, As-a-Service platforms, and system integration and implementation;
- Leverages pre-negotiated, consistent terms and conditions; and
- Offers competitive pricing and ability to negotiate deeper discounts at the order level.

### Period of Performance (POP):

One-year base, plus four one-year options (8/4/2015 - 8/3/2020)

### Number of Awardees:

One large business

### Contractor Information:

Contract #	Vendor Name
HSHQDC-15-D-00017	Microsoft Corporation
