

# NBAF SUMMARY OF OPPORTUNITIES

Revised April 2016

Thank you for your interest in opportunities with the National Bio and Agro-Defense Facility (NBAF). This document summarizes resources for NBAF employment and business opportunities. Please continue to check the DHS S&T public [website](#) for the latest updates on NBAF.

## Federal Employment Opportunities

Prospective applicants seeking federal employment must access the USA Jobs website at [www.usajobs.gov](http://www.usajobs.gov) for the most up-to-date information on all federal career opportunities and details of the application process. Although some positions may be advertised in various publications to increase awareness, USA Jobs is the only portal for official notifications of available positions and for application submissions.

## Current Contract Employment and Business Opportunities Available During NBAF Construction

The Department of Homeland Security currently has three contract vehicles in support of NBAF for those seeking, a) employment as a contractor, or b) current business opportunities:

1. *Construction Management Services* provided by McCarthy Mortensen, a Joint Venture: Prospective applicants seeking employment or other business associated with the ongoing NBAF construction should visit the McCarthy Mortensen, a Joint Venture web site [www.mcmjv.com](http://www.mcmjv.com) for a list of employment opportunities with the organization and its subcontractors.
2. *Construction Administration Services* provided by the NBAF Design Partnership: Prospective applicants seeking employment or other business opportunities associated with ongoing construction administration services should visit the web site of one of the following companies that support the NBAF Design Partnership:
  - ⇒ Affiliated Engineers, Inc. (AEI) at [www.aeieng.com/index.php/careers/current\\_openings](http://www.aeieng.com/index.php/careers/current_openings)
  - ⇒ Merrick & Company at [www.merrick.com](http://www.merrick.com)
  - ⇒ Flad Architects at [www.flad.com/careers.php](http://www.flad.com/careers.php)
  - ⇒ Perkins + Will at [www.perkinswill.com/careers/index](http://www.perkinswill.com/careers/index)
  - ⇒ ccrd at [www.ccrd.com/contact-us/careers/](http://www.ccrd.com/contact-us/careers/)
  - ⇒ Cardno at [www.cardno.com/en-us/Careers/Pages/Jobs-at-Cardno.aspx](http://www.cardno.com/en-us/Careers/Pages/Jobs-at-Cardno.aspx)
3. *Site Security Services* provided by Vendtech Enterprise, LLC: Prospective applicants seeking employment associated with ongoing site security services should visit the Vendtech Enterprise, LLC website at <https://www.vendtechenterprise.com>.

## Upcoming Opportunities for NBAF Operations

Future contract opportunities related to science and operations within NBAF will be awarded through two upcoming contract vehicles that will be announced via FedBizOpps at [www.fbo.gov](http://www.fbo.gov).

1. The *Operational Planning and Technology Integration Contract (OPTIC)* is in the procurement process and will provide professional support services to the NBAF Program Executive Office. More information is available through the FedBizOpps [website](#). Once awarded, the website will feature prime contractor information.
2. *Management, Operations, and Research Support (MORS) - Anticipated in 2018*. The MORS contract will provide all necessary contracted services to support DHS's efforts to stand-up and equip the completed facility, develop and track procedures for compliance, perform facility operations and maintenance, and support science activities. Additional information on MORS will post to [www.fbo.gov](http://www.fbo.gov) when it is available.
