

The President's National Security Telecommunications Advisory Committee

Committee Member Biography **The President's National Security Telecommunications Advisory Committee**

William M. Brown
Chairman, President, and Chief Executive Officer
Harris Corp.

Mr. William M. Brown was named president and chief executive officer (CEO) of Harris Corporation in 2011. He was also appointed to the company's board of directors in 2011 and elected its chairman in 2014. Prior to joining Harris, Mr. Brown held several leadership positions at United Technologies Corporation (UTC), including senior vice president of corporate strategy and development; president of UTC's Fire and Security Division; and, president of Asia-Pacific operations for UTC's Carrier Corporation. Before joining UTC, Mr. Brown was a senior engagement manager at McKinsey & Company. He began his career at Air Products and Chemicals, Inc., as a project engineer. Mr. Brown serves on the board of directors for the Fire Department of New York City Foundation and the boards of trustees of both the Florida Institute of Technology and Florida Polytechnic University. He is also a member of the U.S.-Brazil CEO Forum and the Aerospace Industries Association's Executive Committee. Mr. Brown holds a bachelor's and master's degree in mechanical engineering from Villanova University and a master's degree in business administration from the University of Pennsylvania Wharton School.
