Committee Member Biography

The President's National Security Telecommunications Advisory Committee

Glen F. Post, III
President and Chief Executive Officer
CenturyLink, Inc.

Mr. Glen F. Post, III joined CenturyLink in 1976 and has served as a member of the board of directors since 1985. Mr. Post became chief executive officer in 1992 and has directed all of the company's acquisitions since that time. In the past decade, he led the company from the eighth to the third largest telecommunications company in the United States. He also directed CenturyLink's recent transformation into a global leader in cloud infrastructure and hosted IT solutions for enterprise customers as well as a provider of high-speed data, voice, managed services, and big data services in local, national, and select international markets through its high-quality, advanced fiber optic network and multiple data centers. Mr. Post leads a highly respected management team that is focused on delivering high-quality products and services to their customers; enhancing the communities they serve in a meaningful way; and creating a dynamic work environment for employees.

Mr. Post chaired the Federal Communications Commission's Communications Security, Reliability, and Interoperability Council. He holds a bachelor's degree in accounting and a master's degree in business administration from Louisiana Tech University.
