

The President's National Security Telecommunications Advisory Committee

Committee Member Biography The President's National Security Telecommunications Advisory Committee

Kay Sears
President
Intelsat General Corp.

Ms. Kay Sears serves as president of Intelsat General. Ms. Sears joined Intelsat when it acquired PanAmSat in 2006, where she served as senior vice president of sales and marketing. Prior to joining PanAmSat, Ms. Sears held senior management positions with Verestar, American Tower Corp, and COMSAT Corporation.

Ms. Sears currently serves on the board of directors for the Space Foundation. In 2012, she received the GOVTek Women in Technology award, sponsored by the Government Technology Research Alliance. Ms. Sears has a bachelor's of science degree from the University of Richmond and a master's in business administration from the George Washington University.
