

P25 CAP EQUIPMENT DEADLINE

AUG '16

AUG '17

- On 8/17/16, CABs were posted on dhs.gov/science-and-technology/p25-cap
- Testing to old CABs and posting of those Summary Test Reports (STR) and Suppliers' Declaration of Compliance (SDOC) documents can continue to occur until 8/31/17
- On 8/31/17, all SDOC/STRs posted on dhs.gov/science-and-technology/p25-cap must have been tested to new CABs
- Any SDOC/STRs that have not been retested to new CABs after 8/31/17 will be taken down from dhs.gov/science-and-technology/p25-cap
- Additional time will be granted through our waiver request process on as-needed basis. Please send requests to P25CAP@hq.dhs.gov including the information detailed below.
- With an approved waiver, OIC will continue to list equipment and make accompanying STR and SDOCs available either on the website or through email request.
