

TESTING (Experimenting)

1. Identify **test projects**
2. PIL engages w/ Integrated Project Team (IPT) to assist on **acquisition strategy**
3. IPT submits 1-pager describing **innovation techniques** to be applied and expected **benefits**
4. PIL innovation coach and IPT conduct bi-weekly 15-min "**Sprint Chat**" until completion
5. PIL receives post-award **customer feedback**
6. IPT/PIL captures lessons-learned

SHARING (Institutionalizing)

- A. Select IPTs share detailed **case studies** on innovative techniques and sample documents via PIL Webinar
- B. Individuals choosing to fulfill certain learning events can earn the designation of DHS "Innovation Coach" and "Innovation Master"
- C. Innovation Coaches/Masters **coach IPTs** in new PIL projects
- D. Engage and exchange innovations w/ **external innovators**

Framework to apply new/existing flexibilities
and take managed/informed risks
