Personal Radiation Detector (PRD)

The Department of Homeland Security (DHS) established a multiple award Indefinite Delivery/ Indefinite Quantity (IDIQ) contract vehicle to allow all DHS Components to procure Personal Radiation Detectors (PRD) and associated services and accessories.

Key Contract Vehicle Features:

- Maintains lower overall prices compared to industry standards due to volume discounts and task order competition;
- Encompasses validated Department-wide requirements;
- Includes equipment tested by Countering Weapons of Mass Destruction Office (CWMD);
- Increases efficiency in the acquisition processes to provide the necessary equipment and associated resources for DHS frontline users in a more-timely manner.

Period of Performance (POP):

One-year base, plus four one-year options (9/29/2017 to 9/28/2022)

Number of Awardees:

Two (one small business and one large business)

Contractor Information:

Contract #	Vendor Name
HSHQDN-17-D-00001	Polimaster Inc.
HSHQDN-17-D-00002	Thermo Fisher Scientific
