RE: FY 2009 Emergency Operations Center  
Grant Application for the Village of Lomira, Wisconsin

2009 MAR 18 PM 4: 44

Dear Secretary Napolitano:

This letter is in support of a FY 2009 Emergency Operations Center federal grant the Village of Lomira Emergency Management Office has applied for with the Department of Homeland Security.

The Village of Lomira, located in Dodge County, Wisconsin, is justly deserving of this grant. The dollars applied for will provide funding for a portion of their new municipal building to be utilized as an Emergency Operations Center. Beyond the day-to-day uses of the Emergency Operations Center it will be outfitted with an thirty-foot radio tower and three radio base stations that would be available to Dodge County for dispatch assistance in the event of a disaster.

Again, I support the Village of Lomira's federal grant application to fund an Emergency Operations Center. If you have any questions, or need further information, please do not hesitate to contact me.

Sincerely,

  
Senator Scott Fitzgerald  
13<sup>th</sup> Senate District
