

Data Centers

The Department of Homeland Security (DHS) awarded two single-award Indefinite Delivery/Indefinite Quantity (IDIQ) contracts specifically designed to procure Data Center 1 (DC1) and Data Center 2 (DC2) support services.

Key Contract Vehicle Features:

- Provides access to a range of services, solutions and contract types to fulfill DHS Component and Departmental data center service and data storage needs;
- Only hourly labor maintenance or service rates escalate from year to year; and
- Tier based pricing for some services, which allows DHS Components to take advantage of volume discounts.

Period of Performance (POP):

- DC1: Base Period: July 1, 2021 – June 30, 2022. Option Period 1: July 1, 2022 – December 31, 2022
- DC2: Base Period: June 10, 2020 – June 9, 2022. Option Period 1: June 10, 2022 – December 9, 2022. Option Period 2: December 10, 2022 – June 9, 2023

Number of Awardees:

Two large businesses

Contractor Information:

- DC1 70RTAC21D00000002 General Dynamics Information Technology Inc.
- DC2 70RTAC20D00000002 Perspecta Enterprise Solutions LLC.
