

Hope you had a great weekend. I know that you have a lot of things going on and I was just wondering if you would like me to refer this question to FDNS. I remember that I sent you guys a similar inquiry a few months ago. I could reach out to the same folks at FDNS HQ or even with (b)(6) at CSC, if that is allowed.

Thanks,

Good morning. The Liaison and Coordination Branch received the inquiry below from the DHS office of Civil Rights and Civil Liberties and we were hoping that you could help us in our written response.

Thank you.

CRCL was hoping you could help us to understand how national security issues would be resolved in a DACA application. Would they be handled through the CARRP process, on which CRCL was fully briefed, or in some other way? Any information you could provide would be helpful, whether in writing or in a short briefing if that is preferable.

Thank you very much for your assistance.
