Examining the Science and Technology Directorate's Strategic Plan) on June 27, 2007.

687781	6/18/2007	Congressman Jay M. Cohen	The DHS Science and Technology (S&T) Directorate developed the Scalable Composite Vessel Prototype (SCVP) program to provide risk mitigation for the USCG acquisition strategy. The DHS S&T FY 2008 President's Budget Request includes \$8 Million to fund the SCVP program with an additional \$8 Million programmed for FY 2009. I anticipated that the USCG would provide matching R&D funding to build, outfit, and crew the prototype vessel. Subsequently, the USCG patrol boat acquisition plan has changed. The USCG has informed me that there is no longer a requirement for composite patrol boat risk reduction demonstration. Therefore, I respectfully request that the \$8 Million SCVP line item in the DHS S&T FY 2008 budget not be funded.
