## Financial Services Sector

Nothing to report

## Transportation Systems Sector

3. *May 3, New Providence-Berkeley Heights Patch* – (New Jersey) **3 airlifted to hospital after multi-car accident on Rt. 78.** Route 78 east in Berkeley Heights was closed for 3 hours May 2 due to a multi-vehicle accident involving three cars that left three people injured.  
Source: <http://patch.com/new-jersey/newprovidence/three-airlifted-hospital-following-three-car-accident-rt-78>
4. *May 2, WISN 12 Milwaukee* – (Wisconsin) **Man, 77, dies in crash on Highway 16.** Westbound Highway 16 in Waukesha County was closed for approximately 5 hours May 2 after a driver lost control of his vehicle and struck another vehicle, causing both cars to leave the roadway and strike a guardrail and bridge pillar. One person was killed

and three others were injured.

5. *May 2, KTRK 13 Houston* – (Texas) **All lanes of 59 SB at San Jacinto River back open after early morning fire.** All southbound lanes of Eastex Freeway at the San Jacinto River reopened May 2 after being shut down for at least 5 hours following a semi-truck fire. No injuries were reported and the cause of the fire was not disclosed. Source: <http://www.kivity.com/news/semi-rollover-prompts-highway-95-shut-down>
6. *May 2, KIVI 6 Nampa* – (Idaho) **No injuries reported after semi truck crash.** A portion of Highway 95 near Council, Idaho, was closed for more than 5 hours May 2 after a semi-truck carrying explosive powder veered off the roadway and into the barrow pit, causing the semi-truck to tip. No injuries were reported and officials are investigating the incident. Source: <http://www.kivity.com/news/semi-rollover-prompts-highway-95-shut-down>

## **Food and Agriculture Sector**

7. *May 3, U.S. Food and Drug Administration* – (International) **CRF Frozen Foods expands voluntary recall to include all frozen vegetable and fruit products due to possible health risk.** CRF Frozen Foods expanded a previous recall May 2 to include all 358 of its frozen organic and traditional fruits and vegetables products due to potential *Listeria monocytogenes* contamination after U.S. officials identified 7 cases of hospitalizations in 3 states due to *Listeria* and determined some of these illnesses were linked to consuming CRF-manufactured products. The company suspended operations at its Pasco, Washington facility following the initial recall and stated that the products may have been purchased nationwide and in Canada. Source: <http://www.fda.gov/Safety/Recalls/ucm498841.htm>
8. *May 2, Newark Star-Ledger* – (New Jersey) **Camden shop owner admits stealing \$1.2M in SNAP benefits.** The owner of Express Food Mart in Camden, New Jersey, pleaded guilty May 2 to stealing over \$1.2 million in Supplemental Nutrition Assistance Program (SNAP) redemptions from November 2011 – October 2014. Authorities stated that the store owner paid SNAP benefit holders 50 cents on the dollar. Source: [http://www.nj.com/camden/index.ssf/2016/05/camden\\_shop\\_owner\\_admits\\_stealing\\_1\\_2m\\_in\\_snap\\_bene.html](http://www.nj.com/camden/index.ssf/2016/05/camden_shop_owner_admits_stealing_1_2m_in_snap_bene.html)
9. *May 2, U.S. Food and Drug Administration* – (National) **Vitalicious issues allergy alert for undeclared milk in select Apple Crumble VitaTops.** Vitalicious Acquisition LLC, issued a voluntary recall May 2 for select lots of its Vitalicious Apple Crumb VitaTops frozen products due to misbranding and undeclared milk after it was discovered that the ingredient statement failed to declare the presence of milk in the products. The company has revised the ingredient statement and no illnesses have been reported in connection with the products which were sold via Internet sales nationwide.

10. *May 2, U.S. Food and Drug Administration* – (National) **CSM Bakery Solutions voluntary recalls 8” Single Layer Red Velvet Cake sold at Safeway and 12” Decorated Chocolate Chip Cookie sold at Acme and Jewel stores due to undeclared peanut allergen.** CSM Bakery Solutions issued a voluntary recall April 30 for its Safeway 8-inch Single Layer Red Velvet Cake, ACME 12-inch Decorated Chocolate Chip Cookie, and Jewel 12-inch Decorated Chocolate Chip Cookie products due to misbranding and undeclared peanuts after post-production testing revealed that a supplier provided flour which had inadvertently come into contact with peanuts. No illnesses have been reported and the products were sold in Safeway Inc., Acme Markets Inc., and Jewel-Osco stores in 14 States.  
Source: <http://www.fda.gov/Safety/Recalls/ucm498663.htm>

11. *May 2, U.S. Food and Drug Administration* – (National) **Giant Eagle voluntarily recalls Walnut Delight and Pecan Tassie cookies due to an undeclared milk allergen.** Giant Eagle issued a voluntary recall May 2 for all lots of its Giant Eagle brand Walnut Delight and Pecan Tassie cookie products due to an undeclared milk allergen following a quality assurance review of the ingredient declaration which revealed that the label did not declare milk. There have been no reported illnesses and the products were sold in the Bakery department at Giant Eagle and Market District stores in five states.  
Source: <http://www.fda.gov/Safety/Recalls/ucm498645.htm>

12. *May 2, Fresno Bee* – (California) **Ammonia leak in Sanger injures firefighter at Pitman Farms.** An ammonia leak at Pitman Farms in Sanger, California, May 2 sent 6 people to area hospitals, injured 1 firefighter, and forced 800 people to be evacuated while firefighters remained on site for nearly 3 hours containing the incident. The cause of the leak remains under investigation.  
Source: <http://www.fresnobee.com/news/business/agriculture/article75254377.html>

## **Water and Wastewater Systems Sector**

13. *May 3, Boston Globe* – (Massachusetts) **Water main break leaves 40 percent of Hull residents without water.** A South Shore town official reported May 3 that a water main break in Hull, Massachusetts, left about 4,000 residents without water and caused schools to close after temporary repairs conducted by the Aquarion Water Company failed to uphold. The company plans to conduct permanent repairs May 3.  
Source: <https://www.bostonglobe.com/metro/2016/05/03/water-main-break-leaves-percent-hull-without-water-repairs-underway/IVKXUcNNLnRFbfji4TnnfJ/story.html>
14. *May 2, Peoria Journal Star* – (Illinois) **Final repairs to water main break near downtown Peoria likely to be finished by mid-May.** Two unrelated water main breaks occurred in Peoria, Illinois, May 2 including one break that affected approximately 50 area customers, while another break disrupted programs at the Salvation Army’s Family Service building and forced the evacuation of the Safety Net Shelter following a 12-inch pipe rupture. Crews made temporary repairs, but officials

estimated that final repairs would be completed May 11.

## **Healthcare and Public Health Sector**

Nothing to report

## **Government Facilities Sector**

15. *May 3, Associated Press* – (Michigan) **Teacher sick-outs close most Detroit schools for a 2nd day.** Teacher sick-outs prompted 94 schools in the Detroit Public Schools district to close for a second consecutive day May 2 due to concerns over teachers' pay. Source: <http://www.msn.com/en-us/news/us/teacher-sick-outs-close-most-detroit-schools-for-a-2nd-day/ar-BBszn88>
16. *May 3, WCAU 10 Philadelphia* – (Delaware) **Power outages close Smyrna schools.** Severe storms that moved through Smyrna knocked out power and forced the Smyrna School District to close the middle and high schools on Duck Creek Parkway May 3. Source: <http://www.nbcphiladelphia.com/weather/stories/Smyrna-High-School-Middle-School-No-Power-377928481.html>
17. *May 2, U.S. Department of Justice* – (California) **Special agent pleads guilty to embezzlement of drug proceeds and obstruction of justice.** A former FBI special agent pleaded guilty May 2 to Federal charges after he misappropriated over \$136,000 in drug proceeds seized during the execution of 3 search warrants in June and August 2014, and concealed his embezzlement by falsifying official FBI reports, submitting a receipt with a forged signature, and asking a local police detective to provide false information regarding the drug proceeds. Officials stated the former agent used a portion of the funds for personal use and deposited the remaining funds into a personal checking account. Source: <https://www.justice.gov/opa/pr/former-fbi-special-agent-pleads-guilty-embezzlement-drug-proceeds-and-obstruction-justice>

## **Emergency Services Sector**

18. *May 3, Associated Press* – (New Jersey) **New Jersey inmate escapes from prison weeks before parole.** Officials from the New Jersey Department of Corrections are searching for an inmate who escaped from the Ancora unit of Bayside State Prison in Hammonton May 3. Source: <http://philadelphia.cbslocal.com/2016/05/03/new-jersey-inmate-escapes-from-prison-weeks-before-parole/>
19. *May 2, Hendersonville Lightning* – (North Carolina) **Fletcher fire department says manager stole \$325,000.** A former office manager for the Fletcher Fire & Rescue

Department in North Carolina was charged April 29 for allegedly embezzling \$325,000 from the department. The former office manager reportedly used the fire department's credit card to obtain cash advances for personal use.

Source: <http://www.hendersonvillelightning.com/news/5102-fletcher-fire-department-says-manager-stole-325-000.html>

## **Information Technology Sector**

20. *May 3, SecurityWeek* – (International) **Google patches 40 vulnerabilities in Android.** Google released security updates for its Android operating system (OS) patching 40 vulnerabilities including a remote code execution flaw (RCE) in Mediaserver that could allow an attacker to execute code within the software, and a privilege escalation flaw in the Android debugger that could allow a malicious application to execute arbitrary code in Android debugger or kernel, among other patched flaws.  
Source: <http://www.securityweek.com/google-patches-40-vulnerabilities-android>
21. *May 2, SecurityWeek* – (International) **Accellion patches flaws found during Facebook hack.** The Computer Emergency Response Team (CERT) Coordination Center (CC) released an advisory addressing seven vulnerabilities in the Accellion File Transfer Appliance after a security consultant discovered one of the flaws could be leveraged to upload a web shell, which is an SQL injection, due to improper handling of data in the “client\_id” parameter in “/home/seos/courier/security\_key2.api.” Other vulnerabilities include three cross-site scripting (XSS) flaws and a number of local privilege escalation issues related to incorrect default permissions.  
Source: <http://www.securityweek.com/accellion-patches-flaws-found-during-facebook-hack>
22. *May 2, SecurityWeek* – (International) **Millions of credentials exposed by PwnedList flaw.** A security researcher discovered a parameter tampering vulnerability in a new PwnedList service called Vendor Security Monitoring which could allow an attacker to add any desired domain through a flaw in the service's two-step authentication process and submit arbitrary data by tampering with the request. An attacker with an active PwnedList account can exploit the flaw to add the domain of any major company to generate a list of all compromised email accounts.  
Source: <http://www.securityweek.com/millions-credentials-exposed-pwnedlist-flaw>
23. *May 2, SecurityWeek* – (International) **Compromised RDP Servers used in corporate ransomware attacks.** Researchers from Fox-IT discovered that attackers could disseminate ransomware through a compromised remote desktop server by using brute force attacks to infiltrate a remote desktop server connected to the Internet and use privilege escalation methods to find domain administration status. Once an attacker infiltrates a system and gains administrative privileges, they can extract data, recruit into a botnet, deliver spam, and demand monetary funds from a compromised company.  
Source: <http://www.securityweek.com/compromised-rdp-servers-used-corporate-ransomware-attacks>

## Internet Alert Dashboard

To report cyber infrastructure incidents or to request information, please contact US-CERT at [soc@us-cert.gov](mailto:soc@us-cert.gov) or visit their Web site: <http://www.us-cert.gov>

Information on IT information sharing and analysis can be found at the IT ISAC (Information Sharing and Analysis Center) Web site: <http://www.it-isac.org>

### Communications Sector

Nothing to report

### Commercial Facilities Sector

24. *May 3, WTVO 17 Rockford* – (Illinois) **Police rescue fire victims using new tool.** The Applewood Lane apartment complex in Loves Park, Illinois, sustained more than \$100,000 in damages May 2 following a fire that began on the second floor and spread to surrounding floors. One woman was injured and fire crews contained the incident. Source: <http://www.mystateline.com/news/apartment-fire-leaves-several-without-shelter>
25. *May 2, Fox News; Associated Press* – (Florida) **Officials: FBI thwarts plot against prominent Florida Jewish center.** The FBI arrested a man May 2 after releasing a 17-page affidavit which revealed that the man planned to allegedly bomb the Aventura Turnberry Jewish Center in South Florida during Passover services and later claim the attack was related to the Islamic State terrorist group. An undercover FBI agent recorded the suspect's conversations, confirmed the planned attacks, and prevented the incident from occurring. Source: <http://www.foxnews.com/us/2016/05/02/report-fbi-foils-alleged-terror-attack-at-prominent-florida-synagogue.html>
26. *April 30, Tallahassee Democrat* – (Florida) **\$100,000 in damage at Pullen Road apartment fire.** Officials are investigating an April 30 fire at a Tallahassee apartment complex on Pullen Road that caused about \$100,000 in damages and destroyed several apartment units. No injuries were reported. Source: <http://www.tallahassee.com/story/news/2016/04/30/10000-damage-pullen-road-apartment-fire/83754416/>

### Dams Sector

27. *May 2, KRCR 7 Redding/Chico* – (California) **Groundbreaking levee project to restore ecosystem.** The U.S. Army Corps of Engineers Sacramento District and Reclamation District 2140 broke ground on a new multi-purpose levee project in Hamilton City, California, May 2, which aims to improve nearly 7 miles of levees and restore 1,500 acres of ecosystems. The project is the first to incorporate ecosystem restoration as a primary benefit, as well as include flood risk management. Source: <http://www.krcrtv.com/news/local/hamilton-city-breaks-ground-for-new-levee/39346976>

28. *May 1, WEWS 5 Cleveland* – (Ohio) **EPA: Bolivar Dam partially closes to protect Tuscarawas River from chemicals.** Officials from the Ohio Environmental Protection Agency announced May 1 that the Bolivar Dam in Ohio was partially closed while officials worked to protect the Tuscarawas River from chemicals that had been illegally dumped in three incidents in April which resulted in the death of several thousand fish. Source: <http://www.newsnet5.com/news/state/bolivar-dam-partially-closes-to-protect-tuscarawas-river-from-chemicals>
