2015-HQFO-00467	Shamas, Diala	<p>copies of records, documents correspondence, reports, memorandums, photographs, opinions, written or typed notes, and/ or audio recordings (collectively, hereinafter "records") that were created, used or maintained by the Department of Homeland Security pertaining to your client, Mr. (b)(6). These include, but are not limited to the following items: 1. Any records created, used, or maintained by the Department of Homeland Security referring to (b)(6) including, but not limited to records relating to (b)(6) placement on the " Selectee List," the Terrorist Screening Database, or any other information pertaining to (b)(6) on other security directives implemented by the Department of Homeland Security; 2. Any records relating to (b)(6) detentions and questioning by airport officials, or generated by the search of his belongings; including but not limited to information related to (b)(6) United Airlines flight from JFK International Airport to LAX International Airport on Wednesday May 21, 2014, and returning on Friday, May 23 2014, and his flight from JFK International Airport to Orlando International Airport on March 11, 2015, and returning on March 17, 2015; 3. Communications and correspondences pertaining to (b)(6)</p>	5/19/2015
2015-HQFO-00468	Spurlock, Matthew	<p>copies of the following records, created or modified after October 26, 2001, as they pertain to the Health Insurance Portability and Accountability Act (HIPAA): 1. Policies, procedures, formal or informal guidance, or legal analysis regarding the circumstances under which federal law enforcement or intelligence agencies may request protected health information from entities covered by HIPAA pursuant to the national security exception to the privacy rule, including the factual predicate for such requests; 2. Policies, procedures, formal or informal guidance, or legal analysis regarding the circumstances under which federal law enforcement or intelligence agencies may apply for an order from the FISC compelling the production of medical records under Section 215, including the factual predicate for such applications, the government's definition of the relevance requirement, the legal papers filed by the government or any other party in the FISC, and opinions of that court, pertaining to the interpretation, use, or proposed use of Section 215 orders to obtain medical records; 3. Policies, procedures, formal or informal guidance, or legal analysis regarding the use of the national security exception or Section 215 orders to access electronic health records contained in a health information exchange or other shared electronic health records repository; 4. Policies, procedures, formal or informal guidance, or legal analysis regarding limitations or restrictions, or lack thereof, on the dissemination to other agencies or components of protected health information obtained pursuant to the national security exception or a Section 215 order; 5. Policies, procedures, formal or informal guidance, or legal analysis regarding the relationship between requests pursuant to the national security exception or Section 215 orders and state medical privacy laws and regulations; 6. Policies, procedures, formal or informal guidance, or legal analysis regarding nondisclosure, or any order or policy-such as gag orders under 50 U.S.C. § 1861(c), (d)-preventing a recipient of a request for protected health information pursuant to the national security exception or Section 215 from disclosing such request; 7. Policies, procedures, formal or informal guidance, or legal analysis concerning the use of warrants, subpoenas, or any other legal process (including Section 215 orders) to request protected health information for national security or intelligence reasons pursuant to the national security exception or Section 215; 8. Forms used to request protected health information pursuant to the national security exception or Section 215 and informational materials provided to recipients explaining the scope or function of the national security exception or Section 215; 9. Statistics or data reflecting the frequency and nature of requests by federal law enforcement or intelligence agencies for protected health information pursuant to the national security exception or Section 215; 10. Materials produced by covered entities, including health care providers, regarding disclosure of protected health information pursuant to the national security exception or Section 215; 11. Cases where federal law enforcement or intelligence agencies have requested protected health information pursuant to the national security exception or Section 215, including cases where recipients have refused or denied a request for protected health information pursuant to the national security exception, or challenged a Section 215 order</p>	5/21/2015
