Chief Privacy Officer Remarks

Chief Privacy Officer, Department of Homeland Security

Presentation – DHS Information Sharing Environment

Privacy Office, Department of Homeland Security

Committee Tasking

Chief Privacy Officer Kozanas requests that the Committee:

- Consider the Department of Homeland Security’s (DHS) transition to cloud service technologies during the COVID-19 telework environment to determine if there are associated privacy risks that would merit a near term tasking.
- Provide written guidance on best practices to ensure the effective implementation of privacy requirements for information sharing across the DHS enterprise.

Public Comments

Three minutes per speaker

Closing Statements and Meeting Adjournment
