FSSI Maintenance Repair Facilities Supplies (MRFS)

The Department of Homeland Security (DHS) has made a commitment to use the Federal Strategic Sourcing Initiative (FSSI) Blanket Purchase Agreement (BPA) contract vehicle for Maintenance Repair Facility Supplies (MRFS) to purchase maintenance, repair, janitorial, and sanitation products government-wide, at prices that leverage the purchase volume of the federal government.

MRFS has a broad range of items available that include, but are not limited to:

- Hardware, Tool and Tool Cabinets, and Paints, Sealants and Adhesives;
- Non-Motorized Cleaning Equipment;
- Paper Products and Related Dispensers;
- Motorized Floor Cleaning Equipment and Accessories;
- Degreasers;
- Glass Cleaners;
- Laundry and Dish Detergents;
- Trash Receptacles and Bags.

Key Contract Vehicle Features:

- All contractors are AbilityOne authorized distributors;
- Includes AbilityOne, environmentally sustainable, and Trade Agreement Act (TAA) compliant products;
- Provides vast product selection of over a million items, including those with environmental certifications including Water Sense, Energy Star and more;
- Diverse socioeconomic contractor pool; and
- Includes large businesses to accommodate orders, when necessary.

Period of Performance (POP):

One-year base, plus four one-year options (7/12/2019 – 7/11/2024)

Number of Awardees:

Thirty (twenty-six small businesses and four large business)
